On 2-8-17 I responded to 2861 Croton Lane Lake Park FL 33403 reference a domestic.

Upon arrival I made contact with Judi Ferguson who stated that Stephen Collins had taken all of the light bulbs out of the house and was trying to attack her. Judi said that she and Stephen had been arguing and he became violent. Judi stated that Stephen moved all of her stuff from the room and put it in the living room and told her to sleep out there. Judi said that she sprayed Stephen with bug spray in the face cause she was going to be attacked.

I made contact with Stephen who was coughing, had a red face and red eyes and smelled like bug spray, and he told me that Judi was causing an issue again and he told her to just go to sleep in the living room since he has work in the morning and she came in and sprayed him in the face with bug spray while he was in bed. Stephen told that he and Judi have been dating since September of 2016 and Judi has been living with him and his brother and other roommate since September. Stephen told me that he's unsure if Judi dose any type of narcotic but she goes out and comes home and she is all "wacked out and acts crazy". Stephen said that everything's been fine for the past two weeks since the last time we were out there but tonight she just started acting crazy and would turn all the lights on be very loud and go in and out of the two doors in the home walking in circles. Stephen said he took out some of the light bulbs so that he and his brother could get some sleep at night. Stephen stated that he never touched Judi and that he was just telling her to go to bed that he has to get up in the morning and be to work. Stephen stated that none of the others in the house were awake or saw when he was sprayed or for any part of the incident.

With the above information I find probable cause to charge Judi Ferguson with Battery FSS 784.03 1a1.
