PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ confessed to _____ admitting to the below facts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 31 day of August, 2016 at 00:07 (Specifically include facts constituting cause for arrest.)

On 8-30-2016 at 2311 hours, multiple units responded to the area of 800 N. Federal Hwy. in Boca Raton, Fl, in reference to a hit and run accident. The caller, Nicholas Heine, advised BRPD Dispatch that he observed Red Toyota Matrix bearing Fl Tag#Y16DZU collided with another vehicle while traveling northbound on N. Federal Hwy. in Boca Raton, Fl. Heine saw that the Red Toyota continued traveling northbound on N. Federal Hwy and failed to stop for the accident. Heine continued to follow the vehicle to the area of 3200 N. Federal Hwy. A short time later, I responded to 3200 N. Federal Hwy. and observed the Red Toyota vehicle backing out of a parking space at the business located at 3198 N. Federal Hwy. I began following the vehicle and conducted a traffic stop on the car; it stopped at 3700 N. Federal Hwy. I approached the driver`s side portion of the car and made contact with a W/M identified through his FLDL Keith Di Tonno. Upon speaking with Di Tonno, I immediately detected an odor of an alcoholic beverage coming from his person. Di Tonno also had a slurred speech and a delayed reaction time. I asked Di Tonno if he remember being in an accident and he appeared to be completely oblivious to the fact that had just collided with another vehicle. It should be noted that there was moderate damage to the front of the vehicle. I asked Di Tonno how much alcohol he consumed and he responded with, "not much." Ofc. Van Hof arrived on scene as back-up.

I made contact with Ofc. Jesionek who was at the original scene of the accident located at 800 N. Federal Hwy. Ofc. Jesionek informed me that he was in contact with the victim of the accident, Stephen Maddrey and the witness, Heine. Ofc. Jesionek informed me that Heine was able to positively identify Di Tonno as the driver of the Toyota Matrix that had just been involved in an accident and fled the scene. Heine and Maddrey provided a written statement which was submitted into BRPD Evidence.

Ofc. Jesionek concluded his traffic crash investigation and advised the following. V2 was stopped in the middle lane of traffic and stopped at a solid red-light facing

northbound at the intersection of N. Federal Hwy. and NE 8th St. As V2 was waiting for the traffic signal to turn green, V1, who was traveling northbound, collided into the rear of V2. Neither driver was injured in the accident.

At this point I read Di Tonno his constitutional rights from a pre-printed card so that I could question him about the accident. Di Tonno stated he understood and would speak to me without an attorney present. Di Tonno admitted that he rear-ended another vehicle and drove away from the scene. Di Tonno could not provide a valid explanation as to why fled the accident. He kept stating that he drove away because he thought the other vehicle drove away as well. Ofc. Jesionek informed Di Tonno that the other driver was pulling over to the side of the road to notify BRPD about the accident when he inexplicably left the scene.

Di Tonno was also confused about where he was coming from. He informed me that he had just left an apartment complex located on NE 20th St. in Boca Raton but could not explain how he was south of NE 20th St. when he stated he was driving home to his residence Delray Beach, Fl.

I then ended the accident investigation and informed Di Tonno that I was not conducting a DUI Investigation. Di Tonno stated he understood and did not believe that he was impaired at this point. Di Tonno did not have any injuries, was not taking medications and had no issues with his eyes.

I explained and demonstrated each task before he performed them.

The first task was HGN. He was standing for this exercise. While observing HGN, each eye had a constant jerking while at maximum deviation. Lack of smooth pursuit was present in both eyes. Onset prior to 45 degrees was also present. I had to inform Di Tonno several times to keep his head straight as he kept moving his head from side to side. Also in close proximity with Di Tonno the odor of alcohol became stronger.

The second task was the Walk and Turn. Di Tonno did not count out loud each step as instructed. He took too many steps during the task.

The third task was the One Leg Stand. While performing the task, Di Tonno did not keep his foot off the ground the required 6 inches as instructed.

The fourth task was the Finger to Nose (L-R-L-R-R-L). L- Missed the tip of his nose, held his finger to nose. R- Redirected his finger. L- Held his finger to his nose momentarily. R- No issue. R- No issue. L- No issue.

The fifth task was the Rhomberg Alphabet. Di Tonno advised that he could finish the alphabet without any issue. While attempting the task, he was given 3 different

opportunities to complete the exercise and he could not finish it correctly. On his last attempt, Di Tonno said, "L, M, N, O, G, A, K, L, M, N" and then stopped. Di Tonno then stated that he "can`t remember" the alphabet.

The sixth task was the Rhomberg Number Sequence (30-60). Di Tonno advised he understood and could complete the task. Di Tonno did not count as instructed and counted all the way to the number 100 and stopped the task.

At 0007 hours, I placed Di Tonno under arrest for DUI with property damage per F.S.S. 316.193(3C1) and transported him to the Boca Raton Police Dept. for processing. Ofc. Jesionek conducted the Intoxilyzer Testing. While in the DUI room, Di Tonno provided the breath samples of .191% and .182%.provide a breath sample. Di Tonno was also charged with leaving the scene of an accident per F.S.S. 316.061(1).

Di Tonno was later taken to the Palm Beach County Jail for final disposition.

The video of the roadside were uploaded into BRPD Evidence.
