PROBABLE CAUSE

On March 17, 2019, at approximately 8:34 PM, I (Officer Jarrell) responded to 417 N Cypress Dr Apt 11, within the Village of Tequesta, in reference to domestic trouble Tequesta Communications advised the caller, James C. Norvell (W/M, DOB 10/01/1962), stated he was attacked by his spouse, Kimberly A. Norvell (W/F, DOB 05/09/1969) Communications stated the caller would be waiting outside the residence.

Upon my arrival, I made contact with J. Norvell in front the residence As I walked up to J. Norvell, I immediately detected a strong odor of an unknown alcoholic beverage The odor grew stronger as he spoke. J. Norvell's eyes were bloodshot and glassy. J Norvell's demeanor was calm and cooperative J. Norvell had an orbital sway throughout our interaction. I asked J Norvell for his account of the incident J Norvell advised he went to bed at approximately 8 30 PM He stated that shortly after falling asleep, "My wife busted through the door and attacked me." He then said she woke him up and began yelling at him for not moving a case of bottled water that he had left by the front door. J. Norvell said after a brief verbal exchange she began to strike him with her fists and also started to scratch him. He stated that K Norvell also tore off his shirt during the exchange. J. Norvell advised that he recorded the incident on his cell phone I reviewed the video which shows K. Norvell grabbing J Norvell's left hand and lower arm. While holding his hand and lower arm, K. Norvell began to pull against him and directed him to get out of the residence J Norvell had small scratch in the middle of his back, left of his spine. J Norvell was holding a torn white t-shirt in his left hand which he advised he was wearing when he was attacked J Norvell stated he did not physically touch, strike, or make verbal threats towards K Norvell during the encounter Norvell did not report, nor have any other visible injuries J. Norvell refused medical assistance/response by Tequesta Fire Rescue.

I next went inside and spoke with K. Norvell regarding her account of the incident K Norvell advised she had returned home from dinner at Tiramisu (within the Village of Tequesta) at approximately 8 00 PM. She stated when she entered the residence, she observed a case of bottled water sitting by the door K. Norvell said she had repeatedly asked J Norvell to remove the case and place it into his vehicle earlier in the day. K. Norvell stated she went upstairs to confront J Norvell regarding the case of water. She advised the door to his bedroom was shut, so she began to knock. She stated that she heard an unintelligible reply and enter the bedroom K Norvell said the door was unlocked when she entered She said J. Norvell sat up in bed as she entered the room and that he looked like he had just woken up K. Norvell said she verbally confronted J Norvell regarding the case of water She advised the reason she was upset was that J Norvell's regular routine on Sunday afternoons was to drink himself into a stupor and then pass out in the early evening She felt it was disrespectful that he ignored her requests and instead got drunk K Norvell said their verbal argument began to escalate, at which point J. Norvell got out of bed and began to record her on her cellphone. She stated that she asked him to leave the residence multiple times, to which he refused K. Norvell said she then grabbed him by the shirt and arms multiple times in an attempt to remove him from the residence. K Norvell stated that J Norvell pushed her away multiple times during the encounter. K. Norvell did not report any injuries She did however have a small scratch on her right triceps. K Norvell has a small abrasion on her right thumb that she advised was due to having dry skin and was not sustained during the altercation

I advised K. Norvell she was being placed under arrest for domestic battery. I placed K. Norvell into handcuffs that were double locked and checked for proper spacing. I conducted a custodial search of K Norvell using the back of my hand in the presence of Sgt M Muniz (ID # 1195) I then placed A Norvell into the back of my marked patrol vehicle (unit 504)

Based on the above observations, I have probable cause to charge Kimberly Norvell with domestic battery pursuant to F S S 784.03(1)(a)(1).
