D.U.I. PROBABLE CAUSE AFFIDAVIT

ON THE 1st **DAY OF** September **2018 AT** 0500 ☒ **A.M** ☐ **P.M.**

CASE #: 18045123 **DEFENDANT:** Clippinger, Kristen, Rose

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On the above date and time officers responded to 1729 N. Congress in reference to a person passed out behind the wheel of a Grey Nissan, who possibly could be having a medical episode. Upon my arrival contact was made with OFC. Halpern ID990, who had informed me that he located the described vehicle parked. OFC. Halpern stated that he initiated his overhead emergency lights and the occupied 09 Nissan Altima bearing FLtag JQMA05 had begun to take off shortly after the activation and subsequently crashed into a solid object. Ofc. Halpern had made contact with the driver who was alert and conscious (with no reports of injuries). I arrived shortly after and made contact with the driver who was later identified as Kristen Clippinger (3/18/91)

Upon making contact with Clippinger, I observed her to have glassy red eyes and an odor of an unknown alcoholic beverage. Clippinger was asked to provide her license, registration and insurance. While attempting to gather the requested documents, Clippinger was asked common questions in reference to her accident. During the common question asking Clippinger showed difficulty in locating several items that where in plain view. I had to inform Clippinger several times of the location of her Florida License and I also assisted her in the gathering of her registration due to her inability to do so.

Clippinger was asked to step out of the vehicle and she complied. While outside of the vehicle, myself and BBFR were making contact with Clippinger I was able to smell a strong odor of the impurities of an unknown alcoholic beverage emanating from her breath.

Clippinger was read her Miranda rights at which point she agreed to talk to me. Clippinger stated post Miranda that she had consumed alcohol prior to operating her vehicle. Clippinger stated that she does not remember taking off after the activation of OFC. Halpern's emergency lights.

Based on the above mentioned encounter thus far, I had asked Clippinger to perform a series of Field Sobriety Tasks, that she agreed to do. Prior to starting the tasks, Clippinger was asked several times if she had/have any current or pre-existing injuries to her person. At which time she declined each time.

The first task that was performed was the pen test. During this test Clippinger moved her head and had a sway to her person.

FINGER TO NOSE:
This task was explained and demonstrated to Clippinger, which she stated she understood. Even after being reminded to do so.

Clippinger was handcuffed (D/L) and taken into custody without incident. I then transported Clippinger to the Palm Beach County Breath Tech Facility. Upon my arrival at 0558 hours, I completed the required 20-minute observation starting at 0603 hours. I then requested Clippinger to provide a sample of her breath for the purpose of determining the alcohol content. Clippinger complied and provided the requested breath samples. The results are .142 at 0630 hours and .146 at 0633 hours.

At this time, due to the above mentioned information I have established probable cause to charge Clippinger with one count of DUI pursuant to FSS 316.193(3)(C)(1). I issued the Clippinger the following citations: (2035XBH DUI W/ Property Damage and AAHWD9E Careless Driving).
