PROBABLE CAUSE STATEMENT

On 09/09/2018 at approximately 21:53 hours, I responded to 1672 63RD WAY S, located in Unincorporated West Palm Beach, Palm Beach County, FL, in reference to a Domestic Dispute. While on scene conducting my investigation into the Domestic Dispute, one of the parties involved, Daniel Reis Groberio, was asked to provide his ID in order to identify him. Daniel complied and approached his vehicle, a white truck, parked in the driveway. While doing so, he attempted to open the front passenger door, to which a white female in the vehicle locked the doors. He started knocking at the door, to which the female began screaming profanities at him, including "fuck you, go away." He continued to try to open the vehicle, to which he eventually got the door open, resulting in the female screaming further profanities at him. During this incident, a 13 year old child was present, who had been a witness to the domestic dispute (see PBSO Non-Crime case #18-118741).

D/S I. Lizcano #19476, was also on scene and attempted to break the two up to prevent a physical fight, which appeared to be imminent, based on the female's increasingly hostile behavior. Daniel complied and backed away from the car, to which he stated that the female in the car is his girlfriend, Laura Breinig, and she hates the police. Laura continued to scream profanities, this time at D/S Lizcano, to which she was asked repeatedly to stop being disorderly and screaming profanities in front of the 13 year old child. Laura was asked repeatedly by D/S Lizcano to provide Daniel's ID and her own. Laura then grabbed her purse, twisted to her left (away from deputies sight) as if she was concealing something within her purse or attempting to access something she didn't want deputies to see. Laura then placed a sock over her right hand and began digging in the purse, to which D/S Lizcano, fearing that a weapon was going to be retrieved, grabbed Laura by her arm and told her to stop. Laura pulled away from D/S Lizcano and began reaching towards the interior compartment of the truck, to which D/S Lizcano continued to give verbal commands to Laura to stop reaching and put her hands behind her back. Laura refused, however, D/S Lizcano was able to pull her arms back and handcuff her without any use of force. After Laura was placed in handcuffs, she continued to scream profanities and then twist, pull, push, and try to break free of D/S Lizcano as she tried to hold her in place. Laura was then patted down for weapons and placed in the backseat of the patrol car, to which her handcuffs were double-locked and checked for tightness. It should be noted that the child who was present stated that he was upset that everyone was fighting and screaming.

The purse which Laura was trying to access secretly, after placing a sock over her right hand, had been dropped on the ground outside of the truck, but had never left my field of vision. D/S Lizcano recovered the purse and observed, in plain view, sitting towards the top of the contents of the purse, a large fixed blade knife, approximately 8" long with a 4" pointed blade, and a brown wooden handle. She also discovered a large pair of medical-style metal scissors, approximately 7" long, with a 2" pointed tip, directly below the knife. The knife and scissors were impounded as evidence. Daniel then stated again that Laura hates the police and had just been in a verbal argument. He further stated that she has anger problems and doesn't believe that she meant any harm. Daniel then recovered his ID, as well as Laura's from her purse and provided it to me. Daniel stated that he and Laura had a few beers tonight, and smoked Marijuana, but had not used any other drugs. It should be noted that Laura is 20 years old (DOB: 04/17/1998) and does not have a concealed weapons license, nor is she eligible to, based on her age. It should further be noted that the knife is not a common pocketknife, as it does not fold or have any ability to be easily carried within a pocket or as a tool. The item was carried in a manner that was concealed from view in the purse, and only visible after the purse was on the floor, looking down into it. Also contained within her purse was a FL DL for a female subject, Erin Buschini, who looks very similar to Laura, but is over 21 (28 years old). Laura and Daniel could not provide Erin's phone number to verify permission to have her ID.

*****CONTINUED FROM PAGE 1*****

I then approached the patrol vehicle to make contact with Laura and find out what her intentions were when applying the sock to her hand and reaching inside the purse. As I walked towards the patrol vehicle, I observed Laura pulling the interior door handle, then pushing and kicking the door as if trying to get out. As I got to the window, I observed that Laura had got out of her handcuffs and was trying to pull open the door, as if she was trying to escape from police custody. I ordered Laura to stop trying to get out of the car and told her that she was under arrest. I observed that Laura had a laceration on her right index and middle fingers and was bleeding all over her hand. Laura continued to try to open the rear door of the patrol car, to which I advised D/S Lizcano that we had to transport her off the scene to secure her handcuffs and get her medical attention for the lacerations. Laura was completely uncooperative and refused to communicate with deputies other than screaming profanities. It should be noted that it is unknown how Laura's fingers became lacerated, however, it was not during the course of the arrest.

D/S Lizcano then transported Laura to Delray Medical Center North, located at Lantana Rd., and S. Jog Rd., in Unincorporated Lake Worth, FL, for medical clearance. Upon reaching Delray Medial Center North, Laura was placed back into handcuffs and brought inside for medical clearance. While in the hospital, Laura stated: "I'm just 20 years old, I don't understand." Laura was belligerent with medical staff and refused to cooperate during the initial medical treatment. Laura then stated "I need Xanax, will you help me get some?" Laura explained that she has anger issues and anxiety and requested Xanax repeatedly. Laura also admitted to drinking Four Loco (a caffeinated alcoholic malt beverage).

Based on my investigation, I determined that Laura did commit the following criminal acts:

Escape - By knowingly and willfully attempting to escape confinement in a patrol vehicle, after being placed under arrest and being in police custody, prior to being transported to a correctional facility, by removing her handcuffs and attempted to open the vehicle door in an effort to escape custody, pursuant to FSS 944.40.

Resisting Officer without Violence - By knowingly and willfully refusing lawful commands given by a Deputy Sheriff in full PBSO Patrol Uniform, conducting a lawful investigation, and further by twisting/pulling/pushing away from deputies with the intent to prevent arrest, and thus to hinder/obstruct/delay the investigation, pursuant to FSS 843.02

Carrying a Concealed Weapon - By knowingly and willfully carrying a large fixed blade knife, approximately 8" total length with approximately a 4" blade, in her purse, concealed from plain view, without a concealed weapons license, pursuant to FSS 790.01(1)

Disorderly Intoxication - By knowingly and willfully screaming profanities and resisting deputies in the presence of numerous people, including a 13 year old child, to which the behavior was disruptive and disorderly, while intoxicated by alcohol (Four Loco), pursuant to FSS 856.011(1)
