The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.  
 The Person taken into custody . . .  
 committed the below acts in my presence.  was observed by \_\_\_\_\_ who told \_\_\_\_\_ that he/she saw the arrested person commit the below acts.  
 confessed to \_\_\_\_\_ admitting to the below facts.  was found to have committed the below acts, resulting from my (described) investigation.  
 On the 27 day of July, 2018 at 00:53 (Specifically include facts constituting cause for arrest.)

On the above date at approximately 0053 hours, I was on routine patrol in the area of Indiancreek Parkway and Greenway Drive in the Town of Jupiter, Palm Beach County, Florida.

I was traveling west. I observed a 2006 Saab bearing Florida license plate Y27CTT turning east onto Indiancreek Parkway from Greenway Drive. The vehicle drove towards the median as it traveled north before turning into the far left hand lane. It looked at first as if the vehicle was going to travel into the westbound lanes before turning east. I began to follow the vehicle. The vehicle started to travel at a high rate of speed. I visually estimated the vehicle's speed at 55-60 miles per hour. I could see the vehicle braking for no apparent reason as well as more than one abrupt swerve and correction as it traveled east. When the vehicle reached the intersection with Military Trail, it entered the right turn lane. The vehicle passed the stop bar and marked crosswalk before entering partially into the south bound lanes before coming to a stop. The vehicle then turned south on Military Trail and again reached speeds of over 60 miles per hour in a 45 miles per hour posted zone. The vehicle continued to swerve and swerved partially out of its lane to the left before continuing in the middle southbound lane.

I initiated a traffic stop of the vehicle by activating my lights and sirens. The vehicle slowed but passed several suitable stopping places before finally stopping just north of West Frederick Small Road in the parking lot of the business located at 3900 Military Trail. I made contact with the driver, Lawrence Roberts. Roberts had bloodshot, glassy eyes. I could smell the odor of an unknown alcoholic beverage coming from the vehicle. Roberts at first appeared hesitant to speak. I noticed that Roberts speech was slurred. Roberts stated he had been in Abacoa and that he went to the baseball game. I know the minor league games usually occur at 630 pm. Roberts forgot to hand me the registration and insurance after retrieving his license. Roberts had

some difficulty removing the documents once he found them.

After conducting my initial computer checks, I located a suitable area nearby to conduct a DUI investigation. I had Roberts exit his vehicle. I advised Roberts that I was conducting a DUI investigation. Roberts stated he'd consumed three beers when I asked. Roberts stated on a scale of 1-10, with 1 being stone cold sober and 10 being head over toilet drunk, he was a, "3". Roberts stated that he had been scuba diving all day and was tired.

I asked Roberts to complete SFSTs. He prevaricated, so I read him his Taylor Warnings. Roberts agreed to complete roadsides.

I first conducted the Horizontal Gaze Nystagmus (HGN) task. I am a certified Drug Recognition Expert and administered the task in a manner consistent with my training. Roberts had great difficulty keeping his head still though I reminded him several times to do so. I was able to observe all six standardized clues during HGN. I observed Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation, and Onset of Nystagmus Prior to 45 Degrees. I also observed Vertical Gaze Nystagmus was present. Roberts was swaying noticeably during the task.

I next conducted the Walk and Turn Task. Roberts missed heel to toe on every step he took except for the first one. Roberts turned improperly by pivoting around on both feet. Roberts then stopped before continuing. On the return leg, Roberts had his arms out to the side by more than six inches for balance and missed heel to toe on every step.

I next conducted the One Leg Stand Task. Roberts at first raised his right foot. Roberts was swaying visibly. He put his foot down at "1000-5". Roberts blamed bad knees for being unable to continue. Unprompted, Roberts raised his left leg and put his foot down after "1000-6" again blaming his knees for his inability to balance. Roberts was again swaying visibly during the task. I terminated the task at that time.

I next instructed Roberts in the Finger to Nose Task. I observed the following: L1: Roberts touched his face under his left nostril. Roberts forgot to put this finger back down to the side. I reminded him to. R2: Roberts touched his on the bridge, about midway between the tip and top. Roberts forgot to put this finger back down to the side. I reminded him to. L3: Roberts touched his nose as instructed, but opened his eyes. Roberts forgot to put this finger back down to the side. I reminded him to. R4: Roberts touched his nose as instructed but opened his eyes. Roberts forgot to put this finger back down to the side. I reminded him to. R5: Roberts started to use the wrong hand before correcting himself. Roberts touched his nose as instructed. Roberts forgot to put this finger back down to the side. I reminded him to. L6: Roberts touched his nose as instructed but again opened his eyes as he did so. Roberts forgot to put this

finger back down to the side.

I next conducted the Romberg Alphabet Task. Roberts was swaying visibly during the task. Roberts stated he has a Bachelor's Degree and is comfortable with the alphabet. Roberts stated the alphabet quickly and started early. Roberts stated the alphabet as follows: A B C D E F G H I J K L M N O P Q R S S T O. Roberts then stated he doesn't know the alphabet.

I then placed Roberts under arrest for DUI. I advised him and placed him in handcuffs, which I checked for spacing and double locked. Roberts protested that the only thing he had done wrong was the alphabet. I secured Roberts in the back of my police car and secured him in the seatbelt. I then transported Roberts to the Palm Beach County Breath Alcohol Testing Facility. Roberts had several apparent lapses in his short term memory during this time, as he repeatedly asked about the process and what would happen to his vehicle. Upon my arrival at the BAT, I commenced a 20 minute observation period. I then requested that Roberts provide a sample of his breath. Roberts asked for a lawyer. I advised Roberts that he did not have the right to a lawyer at that point in the process. I then read Implied Consent and explained each part to him. Roberts attempted to dispute that he had a right to a lawyer. I told Roberts he definitely did not at that point in the process and he would have to make that decision on his own. Roberts was quiet for several moments and asked me what I would do. I refused to answer and asked several times for an answer as to whether he would provide a sample of his breath. Roberts eventually agreed to provide samples of his breath. Roberts provided samples of .137 and .147. I read Roberts his Miranda Rights from a prepared text. Roberts invoked his right to council.

I then secured Roberts in a holding cell while I completed my paperwork. Search incident to arrest I located a ticket for Roger Dean Stadium on 7/26/18 for a game starting at 630 pm. I stopped Roberts at 0058 hours, several hours after the game would have ended. I made a copy of the ticket for future use in this case. I subsequently booked Roberts into the Palm Beach County Jail where I charged him with DUI per FSS 316.193(1).

My on scene investigation was captured on my issued body worn camera.
