NARRATIVE

statement. The following is a summary of Lina`s statement: She has been married to her husband, Jason Taylor, for approximately 90 days. She went to Best Buy in Palm Beach Gardens to buy Jason a new cellphone because his other phone had a cracked screen. When she returned home, Jason was already inside the house, drinking vodka. An argument ensued where Jason destroyed several photographs and other household items in their bedroom upstairs. Once downstairs in the kitchen, Lina could not find her cellphone and assumed it was in Jason`s pants pocket. She went to reach and grab at Jason`s shorts in search for her cellphone at which point Jason grabbed her arm and twisted it away from him stating "Your phone is over there you dumb bitch." Jason and Lina then separated and Lina contacted 911 to report the incident to police. As Lina was on the phone with 911, she observed Jason walk outside of the residence and onto the porch at which point she lost sight of him. When Jason walked back inside of the residence he had a scratch on his face which Lina believed to be from his cellphone with a broken screen.

I observed a small thumbprint red mark on Lina`s right forearm, and several red marks underneath her sleeve on her right bicep. These red marks were observed after Lina grabbed at her sleeve and arm, demonstrating how the incident occurred. When Lina showed me her injuries, she rolled her sleeve up causing tension on the tightening sleeve which rubbed against the inside of her arm. At a conversational distance while talking to Lina, I could smell a strong odor of the impurities of an unknown alcoholic beverage emitting from her breath.

While I was talking to Lina outside of the residence, Ofc. Barker #459 made contact with Jason inside of the residence. I spoke with Ofc. Barker who advised Jason had a scratch on the right side of his face which was from Lina`s wedding ring as she swung at him during the altercation when Lina attempted to grab her phone out of Jason`s pockets. Jason did not describe much more of the incident to Ofc. Barker in fear of Lina being arrested.

I then made contact with Jason who was inside of the residence sitting on the couch. Jason provided a statement to me, however he was uncooperative because he did not want Lina to be arrested. When I asked Jason about the scratch on his right cheek, it was from Lina`s wedding ring however he did not say how the altercation occurred. At a conversational distance while talking to Jason, I could smell a strong odor of the impurities of an unknown alcoholic beverage emitting from his breath.

I looked at Jason`s cellphone with a broken screen and did not observe any blood or skin on the cut glass screen. I also looked at Lina`s wedding ring on her left ring finger and did not observe any blood or skin.

Due to my investigation, and statements made by Lina and Jason, I have established probable cause to charge Lina Cook with Simple Battery-Domestic Violence per F.S.S. 784.03(1)(A)(1). After a separation of both individuals during a verbal argument Lina walked up to Jason and grabbed at his pants pocket. Jason then grabbed Lina`s arm and twisted it away from him. At some point during the altercation Jason suffered a small laceration to his right cheek.

Lina was placed in handcuffs which were double locked and checked for tightness. She was then transported to the Palm Beach County Police Department for administrative paperwork and subsequently transported to the Palm Beach County Jail for booking and detention.

No further action taken.
