NARRATIVE:

I was working for the Palm Beach County Sheriff's Office Road Patrol Division driving a marked Sheriff's Office vehicle and wearing a full Sheriff's Uniform and full duty belt. As I patrolled south in the area US#1 and Nortlake Blvd I observed a vehicle northbound with only one headlight on. As the vehicle drove pass me it was traveling at a very high rate of speed.

I turned my patrol car around and reached a speed of over 80 MPH and I could not catch up to the vehicle. I maintained a visual of the red four door comapct car and I oberved that it turned west onto Lighthouse Drive from US#1. I turned at the same intersection and I observed the vehicle attempting to turn around to get back onto US#1.

I activated my emergency lights and pulled behind the vehicle. I made contact with the female and asked her if she was okay and she stated, "I just want to get home". I asked her for her driver's license and she and registration and she went into her wallet and produced her Florida D/L and Geico insurance card. The female was identified as Lisa Langer. I asked Ms. Langer if she was okay and she stated, " please, I just want to get home".

While I stood by her car window I could smell the ooor of an unknown alcoholic beverage emitting from the inside of the vehicle. While talking to Langer the odor of the unknown alcoholic beverage intensified. I asked Ms. Langer if she had been drinking and she once again stated, " I just want to get home". While speaking to her I observed

her eyes were glassy and blood shot constant with a person who has consumed an unknown alcoholic beverage.

Based on my observations I requested for a Sheriff's Office D.U.I. investigator respond to the scene to conduct a D.U.I. investigation.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody

- ☐ committed the below acts in my presence.
- ☐ confessed to _____ admitting to the below facts.
- ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
- ☐ was found to have commited the below acts, resulting from my (described) investigation.

On the 6 day of January 20 18 at 00:39 ☒ A. M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

While conducting field sobriety tasks I was informed that she was deaf in her left ear. I indicated to her I would speak to her in her right ear loudly and she stated she could hear me. While explaining each sobriety task she acknowledged my instructions however finding she was unable to perform them satisfactorily she claimed to not hear them. She also became difficult while non cooperative during the tasks and I issued her Taylor Warnings. After doing so she stated she wished to continue.

After placing her into custody she became verbally hostile and removed her handcuffs within my patrol vehicle. She continued to pound on the partition glass and scream profanities.

Arriving at the Breath Alcohol Testing Center I attempted to place the handcuffs back upon her wrists however she pulled away. I was able to maintain control of her arms and did place them back onto her wrists.

While conducting the twenty minute observation she was secured to the chair using a shackle. On numerous occasions she attempted to stand up and charge multiple PBSO personnel but was restrained by the shackle. She continued to be verbally hostile and scream disturbing multiple breath tests.

Upon taking her into the breath testing room she was seated in the chair for everyones safety. In doing so she turned her right ear towards the open area. During this time I attempted to obtain her demographic information which she declined to answer. I then read the request for breath from the preprinted card and she refused to acknowledge it. Reading her implied consent she again refused to acknowledge anything stated. I informed her that refusal to acknowledge my statements would result in a refusal. She still declined to answer thus a refusal was answered.
