PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody

- ☐ committed the below acts in my presence.
- ☐ confessed to _____ admitting to the below facts.
- ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
- ☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 9th day of January 20 19 at 10:17 ☐ A.M ☒ P.M (Specifically include facts constituting cause for arrest.)

On the above date and time, I responded to the Journey's End neighborhood in front of the resident located at 6362 C Durham Dr, unincorporated Lake Worth, Palm Beach County, Florida after D/S OConnell #7878 advised that he found a vehicle on the swail in front of this house. D/S OConnell also advised that he made contact with the driver who appeared to be disoriented.

Upon arrival, I approached the vehicle and made contact with the subject who was sitting in the driver's seat. I identified her through her FL D/L as Louri Perez. Upon approaching Louri and speaking with her, I immediately recognized the odor of an unknown alcoholic beverage emanating from her person and breath. Louri said that she didn't need paramedics, however, they were already responding to check her for possible medical conditions. PBCFR checked her out and said that she was clear.

I asked Louri how old she was and she said that she was 23. However, her birthday is in the year 1987. Additionally, while speaking with her, she was slurring her speech and unable to answer questions.

D/S Ward #16305 responded and conducted an investigation into DUI.

This concludes my involvement in the case.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody

☐ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
☐ was found to have commited the below acts, resulting from my (described) investigation.

On the 9 day of January 20 19 at 2232 ☐ A. M. ☒ P.M. (Specifically include facts constituting cause for arrest.)

Pen Light Task (Horizontal Gaze Nystagmus [HGN]):
The defendant was placed with their feet together and hands down by their side. The defendant stated that they clearly understood my instructions for the task. I placed my stimulus in front of the defendant. Upon commencing the Pen Light Task (HGN) the defendant moved their head side to side in lieu of following with their eyes only, anticipated the stimulus, and/or did not follow the stimulus. I had to re-instruct the defendant multiple times during the task to follow the stimulus with their eyes only. The defendant would not follow instructions. I attempted to have her use her hands to assist with holding her head still to complete the task. The defendant continued to move there head during the task. During the task I observed that the defendant had equal pupil size and did not exhibit resting nystagmus. The defendant's eyes tracked equally. Due to the defendant moving their head I could not observe their eyes at maximum deviation and/or prior to 45 degrees.

Post SFST's:
At this time I found probable cause to believe that the defendant was impaired for the purposes of operating and/or being in actual physical control of a motor vehicle pursuant to Florida State Statute 316.193(3C1). I handcuffed the defendant to the rear, checked for proper fit and double locked. She was then placed in the rear of my PBSO patrol vehicle.

An inventory search of the vehicle was conducted prior to tow per PBSO policy. There was nothing to mention inside the vehicle. The vehicle was towed by rotation by Camel Towing to their impound lot.
