On the above date & listed time while at the intersection of Southern Blvd (SR80) & North Benoist Farms Road, which is located in unincorporated West Palm Beach, Palm Beach County I observed a blue 2004 Chevy Corvette convertible bearing MA tag 5BV211 stopped for the red traffic signal. The Chevy came to stop past the clearly marked stop bar and was stopped in the middle of the intersection, waiting for the signal to turn green. Once the traffic signal turned green the Chevy began to accelerate traveling eastbound on Southern Blvd and I elected to initiate a traffic stop on the vehicle. I activated the emergency lights on my marked PBSO patrol vehicle getting the Corvette to yield in the area of Southern Blvd & Pike Road.

Upon making contact with the driver and sole occupant of the vehicle, a W/M who identified himself as "MARK N ROCKLAND" by his MA driver license, I immediately detected an obvious and strong odor of an unknown alcoholic beverage emitting from Mark's person and face area. This odor intensified as I spoke to him. Mark had glassy, glazed, and blood shot eyes. His speech was slurred, slow, and thick, and at times difficult to understand. Mark's movements were slow and deliberate while retrieving the requested documents. Mark shuffled aimlessly through papers looking for his license and vehicle registration. Mark was lethargic in his movements. When asked why he was stopped in the middle of the intersection and not behind the stop bar, Mark replied, "I'm trying to figure out the traffic routine here." Mark further stated he was coming from "Double Dee's" and had "only one(1) drink"

With Mark showing signs of impairment, I requested a DUI Unit to my location to conduct a possible DUI investigation. The investigation was turned over to DUI Investigator J. Schneider #8501. This report is for supplemental purposes only and this ends my involvement in this case
