PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 25 day of August, 2016 at 01:52 (Specifically include facts constituting cause for arrest.)

On 8/25/2016 at approximately 0140 hours I was conducting speed enforcement in the area of 400 N Military Trail. It should be noted that this area of N Military Trail has the speed limit of 40 miles per hour with a posted sign.

I then observed a lone vehicle in the outside lane that appeared to be traveling above the posted speed limit. I visually estimated the gray Hyundai bearing Missouri Tag#FM10Y traveling northbound on N Military Trail at approximately 67 miles per hour. I then used the Dragon Eye Lidar (Serial # 13854) to obtain a measured speed. The speed that was produced was 70 miles per hour. I activated my emergency lights to conduct a traffic stop at approximately 2275 N Conference Drive where the vehicle came to a stop. Officer Coronado and Officer Crawford arrived as a backup officer.

I approached the vehicle and came into contact with a W/M driver, later identified as Matthew Wright. I explained to Wright the reason why I pulled him over and he advised that he was trying to rush to get food. I immediately could smell a strong odor of an alcoholic beverage emitting from his person. I asked Wright if he had anything to drink and he advised he did. He stated that he had a glass of wine at Morton`s Steakhouse and then two double Captain Morgan`s (Rum) at Blue Martini. He advised that he had just left Blue Martini and was now trying to find some food.

I then asked Wright to step out of the vehicle and walk back towards my marked unit and he did. I then explained to Wright the reason I pulled him over again. I explained that I could smell a strong odor of an alcoholic beverage emitting from his person. His speech was slurred and his eyes were red and glassy. I asked Wright if he would submit to some road side exercises to dispel my alarm that he was driving under the influence. Wright began to ask if he said no, what would happen. I then advised Wright of his Taylor warnings. I explained that if he did not wish to submit to the road side exercises, I would base my decision on the observations that I have seen so far. Wright

then advised that he did not wish to submit to the road side exercises and he would let me base my decision on my observations.

I then placed Wright under arrest for DUI under FSS 316.193(1). It should be noted that when Wright walked back to my vehicle he was unsteady on his feet and had trouble maintaining his balance.

Wright was transported to BRPD for processing. Wright had trouble getting out of my marked unit once inside the sally port area and I assisted him. Once inside the pat down area inside booking, Wright again was unsteady on his feet and had trouble keeping his balance. Officer Crawford conducted the Intoxilyzer 8000. I asked Wright if he would provide a breath sample and he refused. I then read him Implied Consent. I then asked Wright again if he would provide a breath sample and he again refused. Wright was issued a refusal and given a court date of 9/26/2016 at 0830 hours. TOT CJ.

Wright was issued a citation for speeding.
