PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody

- ☐ committed the below acts in my presence.
- ☐ confessed to _____ admitting to the below facts.
- ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
- ☒ was found to have commited the below acts, resulting from my (described) investigation.

On the 7 day of September 2018 at 0200 ☒ A.M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

On September 7, 2018 at 0051 hours I was conducting routine patrol in the area of Northlake Blvd and Congress Ave, Palm Beach County FL, when I saw a blue Saab bearing FL tag IGM-S25 traveling west bound on Northlake Blvd with only one functioning headlight. I got behind the vehicle and activated my emergency equipment. The vehicle continued to drive west bound to Mac Arthur Blvd slowly, and then turned north onto Mac Arthur, and then finally stopped in the Sea Coast bank parking lot. Once the vehicle was stopped I made contact with the driver and passenger from the passenger side of the vehicle. First I had the driver turn off his vehicle and then I explained that I was a Deputy and he was being stopped for his head light being out. Next I requested his drives license and vehicle documents. While the driver was retrieving his documents he explained that he already knew that his headlight was out and that he has been having issues. I saw that the driver, later identified by his Florida Driver's license as Maurice Wilde(defendant), lethargically fumbled with difficulty through his car and wallet to retrieve the requested documents. I also heard an audible slur in Mr. Wilde's speech when he was telling me about his head light. It should also be noted when the windows of the vehicle opened I could, smell what I recognized based on my training and experience, to be the odor of alcoholic beverages coming out of the vehicle. I also noted the smell coming from Mr. Wilde when he was out of his vehicle and away from the passenger approximately 2-3ft away from me.

I returned to my vehicle and preformed a records check on the driver and his passenger. While completing the records check I requested that my back up check for a DUI unit. I request a DUI unit because based on my observations of Mr. Wilde I believe that he was impaired. Next I issued Mr. Wilde a written warning for his head light being out, and placed his documents on my hood.

PROBABLE CAUSE STATEMENT

While having Wilde sign his court affidavit he initially refused to sign the rough arrest. He was advised that his refusal would result in him being charged with the additional offense of refusal to sign a court summons. He ultimately signed the rough arrest. While advising him of the DUI citation he indicated he did not wish to sign this document. He further advised I could not charge him if he refused to do so. I informed him that it was a document which did not constitute an admission of guilt but required his signature. He still refused. I advised him once again that his refusal to sign this document would result in an additional charge of refusal to sign a citation and if he still refused to sign to place his pen to the table. As he placed his pen to the table he was placed back into handcuffs and I determined he was willfully refusing to sign a citation which displayed a court date for a criminal charge.

Throughout the course of this interaction D/S Schaefer #8777 Tech Moynihan were present to hear the interaction.
