CASE #: 19-022296 **DEFENDANT:** SAUNDERS, MEGAN KATHLEEN

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On the above date and time, while in the area of 2700 S. SR 5 (Federal Highway), I observed a White vehicle (later identified as a 2011 Mercedes bearing PA JGH3383) enter the left turn bay at SE 27th Terrace, then quickly exit the turn lane to reenter S. SR 5 northbound travel lane and while doing so struck the raised concrete median with its left rear tire. Let it be noted that this incident occurred within the City of Boynton Beach, Palm Beach County, Florida. Due to the traffic infraction Officer Grigorian and I proceeded behind the vehicle and conducted a traffic stop in front of 503 SE 23rd Ave.

After Officer Grigorian made contact with the driver/sole occupant of the vehicle W/F Saunders, Megan (05/08/75) he advised me that he detected the odor of an unknown alcoholic beverage emanating from Saunders breath and from within the vehicle. Officer Grigorian advised that Saunders' speech was thick and slurred and her eyes were bloodshot glassy.

I then made contact with Saunders, who was still sitting in the driver seat of the vehicle. Saunders advised me that she had left her friends residence in Seabourne Cove (3300 block S. SR 5) and was in en route to her residence (182 SE 27th Ave). Saunders was very apologetic about striking the median. While speaking with Saunders I observed the same observations as Officer Grigorian did. They were times that when Saunders answered me she would look slightly towards my directions, open her eyes really wide and answer. At this point I requested Saunders to exit her vehicle, which she did. I escorted Saunders to the rear of her vehicle and advised her that the investigation was being audio and video recorded, which she stated that she understood. Saunders advised that she had consumed one glass of wine approximately one hour prior to the traffic stop. Saunders denied any medication usage. While speaking with Saunders outside the vehicle, the odor of the unknown alcoholic beverage was still present. At this point I asked Saunders if she would submit to a Series of Standardized Field Sobriety task, which she agreed to. Prior to beginning I asked Saunders if she had any additional injuries and/or disabilities I should be aware of, which she stated that she had ear issues. Saunders advised that since she was a child she has had ear issues that affected her balance. See the following:

Pen Exercise: During the task Saunders was swaying side to side. Saunders requested that she did not have her legs together due to the fear of falling. Even when her legs were apart

Saunders swayed side to side. Saunders had a difficult time following the stimulant with his eyes only and not moving her head. Instructional had to be repeated to Saunders numerous times. Saunders' eyes weren't equal track the stimulant at times.

HORIZONTAL GAZE NYSTAGMUS:

- ☐ Left eye does not follow smoothly
- ☐ Left eye prior to 45 degrees
- ☐ Distinct jerking in left eye at maximum deviation
- ☐ Vertical Nystagmus in left eye
- ☐ Right eye does not follow smoothly
- ☐ Right eye prior to 45 degrees
- ☐ Distinct jerking in right eye at maximum deviation
- ☐ Vertical Nystagmus in right eye

WALK AND TURN:

The following task was demonstrated and explained to Saunders, which she stated that she understood. During the instructional stage, Saunders swayed side to side. Saunders lost her balance while explaining the task to her. During the walking stage, on the first nine steps Saunders walked in a normal manner, missing every heel to toe step, did not count out loud. Improper turn. On the returning nine steps, Saunders took three steps, lost her balance and stopped the task. Saunders repeated "I could not even this if I was sober".

ONE LEG STAND:

The following task was demonstrated and explained to Saunders, which she stated that she understood. During the instructional stage, Saunders swayed side to side. During the balancing stage, Saunders raised her Right feet, dropping it twice then stopped the task. Saunders did not count out loud. Saunders stated "I'm screwed".

FINGER TO NOSE:

The following task was demonstrated and explained to Saunders, which she stated that she understood. During the instructional stage, Saunders swayed side to side. During the exercise stage, after giving Saunders the first Left command she proceeded to raise her Right arm afterwards without instructed to do so. The task was restarted. Saunders missed the tip of her nose on her third Right command. Eyes were opened during the task. Saunders repeated "I'm sorry".

ROMBERG/ALPHABET:

The following task was demonstrated and explained to Saunders, which she stated that she understood. During the instructional stage, Saunders swayed side to side. During the exercise stage Saunders recited the alphabet incorrectly. Saunders recited H, J,K – O,C,Q – R, C,S,T,R. Saunders eyes were opened during the task.

Based on the above facts, Saunders was placed into custody under suspicion of DUI. Saunders was placed into handcuff (D/L and Spaced) and placed in the back seat of my

patrol vehicle (#4734). I started my 20 minutes observations at 2120hrs and completed it at 2140hrs. Upon completion I requested Saunders to provide a sample of her breath to determine the alcohol content, which she asked what her options were. Therefore I read Saunders Implied Consent, which she stated that she understood. I then requested a second time, which Saunders consented to. Saunders provided a sample of .216 and .230. I then read Saunders her Miranda Warnings, which she advised that she understood. Saunders started to answer the Q &As but refused in the process.

Based on the above facts I've established Probable Cause to arrest Saunders with 1M count of DUI pursuant with F.S.S. 316.193. Saunders was processed and later TOT PBCJ.

Copy of the SFST and BAT video were later entered into the Boynton Beach Police Evidence Department. Incident was captured via BWC as well. Saunders vehicle was removed from scene by Beck's Towing. Saunders left rear tire/ wheel sustained damage consistent to driving over the median, photos were taken of damage and submitted into evidence as well.

Nothing Further.
