PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody

☒ committed the below acts in my presence.
☐ confessed to _____ admitting to the below facts.
☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below actc.
☐ was found to have commited the below acts, resulting from my (described) investigation.

On the 25TH day of JANUARY 2019 at 0200 ☒ A. M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

On January 25th, 2019 at approximately 0139 hours, I was dispatched to the area of Forest Hill Blvd. and Stribling Way in reference to a vehicle that was seen driving all over the road in a dangerous fashion.

Prior to my arrival, the call was updated by dispatch that the vehicle had turned into the Solara neighborhood in the Village of Wellington and the driver was driving around the neighborhood recklessly.

Upon my arrival, the witness, flagged me and other responding deputies down at 2037 Polo Gardens Dr., Wellington, FL, 33414, and advised me that the driver of the vehicle had already exited the vehicle and was walking around his vehicle inspecting it. The witness advised me that he may have heard the vehicle crash into the vehicle next to where the suspect parked. I then met with Melik Serhat Tumerdam, who was walking around his vehicle. Melik appeared to be having trouble with his balance and was moving around in a slow sluggish like manner. It should be noted that the gray Dodge Ram bearing FL tag (JUDE41) was parked in a slanted formation very close to touching another vehicle. I asked Melik where he had driven from and how come his vehicle was parked in such a manner. Malik advised us that he had just driven from "Turkey" the country. Thinking that maybe there was a language issue I adjusted the question and asked it in a different way. Melik advised deputies that he had just driven from a "mile away" at belvedere and military trail. It should be noted that Melik had the odor of an unknown alcohol beverage emanating from his person, his speech was slurred, and his eyes appeared to have a glassy glazed look. Due to there being no wheei witness Melik was released from the scene. Melik was advised by D/S Scofield 8842 that he should not drive anymore that night due to his intoxicated appearance.

Prior to my departure, from the scene Melik reentered his vehicle against being advised not to and struck the vehicle next to where he was parked. I then conducted a traffic stop before he could drive away and contacted a DUI unit to respond to assess Melik for a DUI investigation.

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On 1/25/19 I responded to 2037 Polo Gardens Dr, Wellington, in Palm Beach County, in reference to vehicle crash with a possibly impaired driver. Upon arrival I met with D/S Palmer id25514, who witnessed the crash.
D/S Palmer advised that he responded to the area in reference to a mobile eyes complaint of a possibly impaired driver. He was flagged down by the complainant who pointed out the vehicle, a gray Dodge Ram pick-up truck, bearing FL tag JUDE41, and the driver, later identified as Melik Tumerdem. Melik was outside of the vehicle at the time that the complainant pointed him out. The complainant claimed that he heard Melik strike another vehicle and that Melik was outside his vehicle to inspect it. D/S Palmer made contact with Melik, and noticed that he appeared to have trouble balancing and swayed while standing still. There was an odor of an unknown alcoholic beverage coming from his breath. Melik's speech was slurred and his eyes were glassy. Melik's vehicle was checked and there was no evidence to support that a crash had occurred. Due to the fact that the complainant did not witness any crash and there being insufficient evidence to support that a crash occurred, and that Melik was outside the vehicle there was no probable cause to detain Melik and he was released. Do to Melik appearing to be under the influence he was advised not to operate the vehicle. While D/S Palmer was getting back into his vehicle to leave he observed Melik re-enter his vehicle and begin to pull out of the parking spot. Melik's vehicle then struck the vehicle next to it while Melik attempted to pull out. D/S Palmer then stopped Melik for the crash.

OBSERVATION OF DRIVER:

I met with Melik, who was sitting in the driver seat of his truck. I had Melik exit the truck and stand in front of my patrol car. I advised Melik that the crash investigation was complete and I was going to conduct a criminal DUI investigation, which he advised he understood. I advised Melik of Miranda warnings which he advised he understood. Melik advised he was attempting to move his truck because it was not parked properly but did not realize that he had struck any other vehicle. Melik advised that he has a genetic spinal condition and he is taking anti-inflamitory medication. Melik advised that the condition affects his ability to turn his head but does not affect his ability to walk or balance [redacted]. I observed that Melik's eyes were bloodshot and glassy. There was an odor of an unknown alcoholic beverage coming from his breath, which got stronger when he spoke. Melik appeared unsteady and swayed while standing still. Based on my observations [redacted] I asked him to perform standard field sobriety tasks.

Other Observations:

I performed the horizontal gaze nystagmus task. Melik was asked to stand with his feet together and place his hands by his sides. Melik was asked to focus on the stimulus and follow it with his eyes. Melik was told not to move his head to assist in following the stimulus. Melik showed equal pupil size that tracked equally. Both eyes lacked a smooth pursuit. I saw distinct and sustained Nystagmus at maximum deviation and onset of Nystagmus prior to 45 degrees in both eyes. Melik swayed slightly while performing this task.
