DOMESTIC VIOLENCE PROBABLE CAUSE AFFIDAVIT
PALM BEACH COUNTY

On the 23rd day of December 2018 at 1200

Subject: Paul, Melissa Renee DOB: 07/09/1987 Case #: 18-067066

Charge Description: Aggravated Assault Statute #: 784 .0 2 1 (1) (a)

Victim: Ramirez, Anthony DOB: 03/16/1988 Race: White Sex: Male

Local Address: 2869 S. Oasis Dr. , Boynton Beach , FL, 33426

Personal Contact: 561-762-1773

Narrative:

On Sunday the 23rd day of December, 2018, at approximately 1200hrs I arrived at 2869 S. Oasis Dr. (Parkside Townhomes) in reference to a call for service of a domestic dispute. Upon my arrival I met with Melissa Paul who advised that she had been in an argument, which escalated to a physical altercation, with the father (Anthony Ramirez) of her child (Bailee Ramirez).

Melissa provided a sworn verbal statement which was captured on my AXON body worn camera; being captured at the approximate 13min 45sec mark of the cameras recording. Melissa started her statement off by saying that she did not want to get Anthony in trouble or have him go to jail. Melissa stated that the police were at the residence early this morning (B.B.P.D. #18067032) when the two were arguing as the two struggled over the Christmas tree being thrown out.

Melissa stated that her and Anthony have an arrangement / agreement with D.C.F. in place that states that he is not to be in the home with Melissa and Bailee unattended. Melissa stated that she met with her D.C. F. case worker (Maggie) last evening and she told her that she (Maggie) had just got off the phone with Anthony who stated that he wanted to work everything out with Melissa and move harmoniously forward and on with their lives together.

Melissa stated that late last night, after having been out drinking with friends, Anthony arrived at the home. Even though Melissa stated that she was alone with the baby (Bailee) she felt comfortable having been told by Maggie that Anthony wanted to work everything out. Melissa stated that Anthony was being aggressive and began telling her that he wanted her out of the house. Melissa stated that Anthony then started to tear down the Christmas tree at which time she tried to stop him. Melissa stated that as Anthony was trying to throw the tree out of the residence she was in the way and he pushed the tree into her which caused scratches on her arms, she did not tell officers about this last night / early this morning.

Digital photographs of these scratches were captured and will be submitted into the B.B.P.D. electronic evidence database (A.D.A.M.S.) via the remote program Digital Acquire. Melissa stated that the argument continued into this morning when the two awoke. Melissa wanted to know what the living conditions were going to be and advised that argument began to get heated again. Melissa stated that Anthony first said that he was going to leave and then changed his tune and said that she needed to leave.

Melissa stated that the two began to push one another and at one point she grabbed a towel and wrapped a pen up in it and went after Anthony however, she did not stab him. Melissa stated that Anthony hit her with the strap from a camera in the face and held her up against a wall by her throat. I did notice some discoloration on Melissa's face and neck, digital photographs of Melissa face and neck were captured and also submitted in the same fashion as above. Melissa refused any medical care for her superficial injuries.

During my investigation I spoke with Anthony who provided a sworn verbal statement which was also captured on my AXON body worn camera; being captured at the approximate 33min mark of the cameras recording. Similarly, in Anthony's statement, he stated that he did not want Melissa to get into trouble or to go to jail. Anthony confirmed that he was not supposed to be at the residence "unattended" and added that he usually has his parents (no further information) stay with him at the house or he sleeps at their residence.

Anthony stated that there was a struggle over the tree and he was trying to get it out of the house and Melissa was trying to pull it back in, this is what caused the scratches on her arms. I asked Anthony if he threw any presents, struck Melissa with a camera strap or hit her in any other way which he emphatically

denied. Anthony stated that Melissa will hit and harm herself. Anthony did add that he pushed her several times as she was advancing on him.

I asked Anthony if Melissa wrapped up a pen in a towel and came after him to which he stated it was not a pen, it was a large kitchen knife and added that he had a video of it. Anthony showed me the video on his phone and it clearly shows Melissa going to the butchers block and grabbing an 8" large knife and putting it in a towel and then, in an aggressive and assertive manor, walking over directly to where Anthony was standing making him push her away thereby creating distance. This video was taped at 1047hrs on todays date according to Anthony's phone.

At 1027hrs, according to Anthony's phone, another video shows Melissa walking up to Anthony with her right hand concealed behind her back and aggressively and assertively advancing on Anthony. In the video, Anthony asked Melissa "What do you have in your hand? What do you have in your hand? Do you have a knife in your hand?. As Melissa is advancing on Anthony he is pushing her away and telling him to "Stop touching me" as she continues to advance on him while concealing her right hand and blading her body. These videos will also be submitted into the B.B.P.D. electronic evidence database (A.D.A.M.S.) via the remote program Digital Acquire.

Anthony did not sustain any visible injuries. The injuries sustained by Melissa where caused, more likely than not, by the tug-of-war over the Christmas tree last night and from Anthony's defensive actions today to keep Melissa at a distance, as clearly demonstrated in the video. Based off the evidence presented, It is clear that Melissa was the primary aggressor. Based off the information provided, I find probable cause to charge Melissa with Aggravated Assault (Domestic).

Melissa was handcuffed (double locked and checked for tightness) and transported to the B.B.P.D. for processing. After being cleared from having any wants or warrants, Melissa's care and custody was turned over to the Palm Beach County Jail. Bailee's care, who was home at the time of the incident, was turned over to Melissa's mother (Marla Paul). Maggie (Maggie Villlamizar I.D. #MV10099) arrived on scene to include today's incident in her case (D.C.F. 2018-731224).

In regards to the secondary investigation into any harm or neglect of Bailee, they are UNFOUNDED. Bailee was wearing clean clothing and appeared to be in very good spirits. The home had a comfortable climate control, running water and plenty of food of varying nutritional value. The D.C.F. Field Investigator is going to continue to provide services to the family and remain in close contact. Anthony was provided with the appropriate case number along with a victims rights pamphlet and a domestic violence brochure. A public exemption from records disclosure form was signed and will be submitted with this report. A digital request for the 911 call along with all radio traffic will also be submitted and once obtained will be attatched to this report.
