PROBABLE CAUSE STATEMENT

On Thursday 03/07/2019 while working as a deputy Sheriff on patrol at the Palm Beach International Airport, I was dispatched to a report that a silver Kia bearing Georgia license plate # CEP-9338 operated by a white male had crashed through the entrance gate arm and entered the "Economy Parking Lot" on Perimeter Road, breaking off the gate arm and was "driving around in a reckless manner" inside the parking lot. I responded in a "Code 2" manner with emergency lights on my marked PBSO pickup truck patrol vehicle engaged, arriving within 2 minutes at 5:34 PM. On arrival I was flagged down by witness Carlos Montano who pointed to a silver Kia Forte occupied by a white male who was attempting unsuccessfully to exit from the lot but could not because the exit gate arm was down. I blocked his vehicle with my patrol vehicle to prevent the possibility of it crashing through the exit gate. I approached the driver and requested that he put the car in park and shut off the ignition and remove the keys. At that point the operator, subsequently identified by Texas DL as CRANEY, became verbally argumentative and combative and I requested that he exit the vehicle and I conducted a pat down search for officer safety and detained him by placing him in handcuffs for officer safety based on his alleged driving behavior and verbal responses until my backup officer arrived on scene. I told him he was not under arrest but was being detained for my safety based on his alleged prior driving behavior. While awaiting the arrival of my backup, I told CRANEY I needed some basic information to complete a crash report and asked him how he had sustained the damage obvious to the windshield of his Hertz rental Kia. He stated in response that he had been drinking with friends at "Twin Peaks" restaurant and bar and was trying to drive back to his hotel when he became confused and ran into and damaged the gate arm. Upon the arrival of my backup officer his handcuffs were removed. I observed the odor of an alcoholic beverage on his breath and person and that his pupils were dilated and his speech was slurred. After his initial argumentative attitude, he then quickly changed his attitude and became very jovial and friendly thanking me for my professionalism. ABM Parking Systems witness Carlos Montano completed a handwritten sworn witness statement before me stating that CRANEY was the same person operating the Kia at the time of the crash and damage to the gate arm and was the same individual that he observed me stopping and removing from the vehicle. The damage to the gate arm is estimated by an ABM Parking Services manager to be $215.00. The Kia vehicle rented to CRANEY by Hertz was removed from ABM Parking and Palm Beach International Airport property by Hertz.t
