**Other Observations:**

**WALK & TURN:** During the walk and turn, Buckingham, could not keep her balance while listening to instructions. She proceeded to start the test before I told her to begin. Buckingham missed heel-to-toe on all of the steps during the task. She stepped off of the line on several of the steps during the task. Buckingham performed an improper turn, she lost her balance and just turned around instead of the demonstrated manner. When she was returning after the improper turn she took 11 steps until she was finished.

**ONE LEG STAND:** During the one leg stand, Buckingham, swayed left and right before the test began. She was unable to maintain her balance and used her arms to help her. At 1006 she put her foot down and did not continue the test until told to do so. During the entirety of the test Buckingham never looked at her foot.

**FINGER TO NOSE:** During the finger to nose, Buckingham, used 2 fingers to touch her nose on every task. She also failed to return her arms to her side until told to do so, several times.

**ROMBERG/ALPHABET:**

**BREATH TEST RESULTS:** .000/urine
