The undersign swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The person taken into custody...

☒ committed the below acts in my presence.

☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.

☐ confessed to admitting to the below facts.

☐ was found to have committed the below acts, resulting from (described) investigation.

On the 9 day of June 20 18 at 1000 ☐ AM ☒ PM

On June 9, 2018 at approximately 2200 hours I observed a white 1994 31ft Jupiter center console vessel FL5295MB traveling northbound in the alternate intercostal Waterway west of Sailfish Marina West Palm Beach Florida. The vessel had no navigational lights and the spot light constantly on, blinding all southbound vessel traffic. As D/S Myers # 5694 and I were traveling towards the vessel, another vessel heading northbound flagged us down yelling " they almost hit our boat" referring to the above mentioned white vessel FL5295MB.

D/S Myers and I were operating a fully marked Palm Beach County Sheriffs 38 ft. Safe Boat wearing PBSO Marine Unit uniforms with our lights activated in an attempt to make a traffic stop on the vessel. I was outside the vessel giving the driver verbal commands to stop his vessel and put it in neutral. There were additional passengers on the front and rear of the vessel, who advised the driver to turn down the blaring stereo. The driver later identified as Michael Zuloaga was ignoring my verbal commands to stop the vessel and put it in neutral. Zuloaga refused to turn and look towards me or acknowledge my verbal commands. While Zuloaga was refusing all commands he continued route inside the Marina. Zuloaga attempted to dock the vessel on a floating dock in front of the restaurant at Sailfish Marina. At this time our PBSO vessel was alongside Zuloaga's vessel, I can see that Zuloaga is having a difficult time operating the vessel. Zuloaga was turning the engine away from the dock pushing the boat off the dock. It appeared that Zuloaga was under the influence, I observed numerous beer cans throughout the vessel along with a full bucket of empty beer cans in the rear of the vessel. As Zuloaga's passengers were trying to tie up and secure the vessel, I had to tie and secure our vessel against Zuloaga's vessel. As I was grabbing the dock line I observed Zuloaga fall down while moving away from the steering wheel. I asked Zuloaga for his driver license and the vessel registration, which he ignored and continued his actions. While finishing securing our PBSO vessel, Zuloaga fled off the vessel into the crowed.

There were 6 additional passengers on board the vessel, 3 women and 3 men. The men identified as William Steele 11/8/66 who is the owner of the vessel, Robert Haines 4/10/67 and James Kniseley 10/16/65. All subjects on the vessel were extremely intoxicated. Steele and Haines were argumentative, uncooperative and refused to tell me the name of the individual who was driving the boat. They also refused to attempt and assist in getting him to return to the dock in anyway. Haines later stated that the driver was his brother in law but he didn't know his name. Kniseley stated that the drivers name was Mike. After several more conversation Haines stated his name was Mike Zuloaga telling me his last name was spelt "Zolega". Through PBSO communications I was able to locate the correct individual.

At this time I observed RBFR(case# 18-003508) responding to the restaurant with Palm Beach Shores PD 18-084186. I asked RBFR what the reference to their call was, which they advised that a male passed out at the bar. I followed them inside locating the male passed out at the bar, who I identified to be the same individual driving the vessel. RBFR advised that do to his extremely intoxicated condition and his vitals

they were transporting him to St. Mary's Hospital.

Due to the above mentioned circumstances I am filing this case with the State Attorney's Office. My investigation concluded along with the acts committed in my presence that Michael Zuloaga did have knowledge that he was being directed to stop by a duly authorized law enforcement officer, refused and willfully fled and attempted to elude such officer Per FSS 843.18 (1) I found that Michael Zuloaga was operating a 1994 31ft Jupiter FL5295MB at night without proper navigational lights along with a spot light beam blinding other vessels with a willful disregard for other vessels safety, and at the time Michael Zuloaga was not able to safely operate a vessel committing a violation of Reckless operation of a vessel Per FSS 327.33 (1).
