PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody

[X] committed the below acts in my presence.

[ ] confessed to _____ admitting to the below facts

[ ] was observed by _____ who told _____ that he/she saw the arrested person commit the below acts

[ ] was found to have committed the below acts, resulting from my (described) investigation.

On the 22 day of March, 2019 at 02:39 (Specifically include facts constituting cause for arrest)

On the above date at approximately 0239 hours, I was on routine patrol in the area of West Indiantown Road and Pennock Lane, in the Town of Jupiter, Palm Beach County, Florida.

I observed a white GMC bearing Minnesota license plate traveling west directly in front of me. The vehicle got my attention as it was traveling at about 10 miles per hour below the posted speed limit and was swerving within its lane. The vehicle turned into the businesses located at 1230 West Indiantown Road. I followed and noticed that the light that illuminates the license plate was inoperable. I initiated a stop of the vehicle by activating my emergency lights.

I made contact with the driver, later identified to me as Mitchell St. Pierre. St. Pierre was obviously very nervous and stated he did not have ID. St. Pierre was obviously nervous and was stumbling over his words as he provided the name "Michael Johnson" with a date of birth of 1/23/84. I did not believe that St. Pierre was providing his real name. I was unsurprised when St. Pierre claimed he did not know his social security number. St. Pierre then reluctantly provided a social security number of [redacted] (his real social security number is 506 25 2435). As St. Pierre was plainly nervous and obviously hiding something I had him exit his vehicle. St. Pierre provided consent when I asked to check his person for weapons and drugs. I located a clear plastic bag in St. Pierre's front left pants pocket with a John Deere logo on it and a crystal like substance in it that appeared to be methamphetamine. I asked St. Pierre about his name and told him that I thought he was lying. St. Pierre stated that he has warrants and had lied about his name. I secured St. Pierre in handcuffs pending the outcome of my investigation after he admitted that he had lied about his name during the course of my traffic stop.

I obtained St. Pierre's real name from him and correct social security number. It took

PROBABLE CAUSE STATEMENT

a great deal of time to determine that he had apparently provided his correct name as the South Dakota Driver`s License return did not come back until his name was run without a space (Stpierre). While I was attempting to find a record for St. Pierre, Officer Flesch advised me that St. Pierre had spontaneously uttered that the substance in the bag was methamphetamine and that St. Pierre had located the bag in the park and tried a small amount of it. I field tested the suspected methamphetamine using a field test kit. It reacted positively for the presence of methamphetamine.

After positively identifying St. Pierre, I read him his Miranda Rights from a prepared text. Post Miranda, St. Pierre told me he found the bag in Sawfish Bay Park and didn`t want to say what he thought it was. St. Pierre stated that there was a firearm in the "back" of the truck somewhere and that it was his girlfriend`s.

The vehicle St. Pierre was driving had a huge amount of fishing equipment and junk in it. I located a green bag immediately behind the center console near the back of the front passenger seat. This bag was in immediate reach of the driver and was not covered by anything else. I located a Hi Point 9 mm firearm in the bag. The magazine was loaded and the chamber empty. I also located several clear plastic bags with the John Deere logo in the car that were exactly the same as the one with the methamphetamine that I found in St. Pierre`s pocket (that he claimed he found on the ground in Sawfish Bay Park).

I spoke to St. Pierre about some requests he had made. Just before I placed him in my police car, Officer Flesch advised St. Pierre that the firearm was being seized. St. Pierre stated that it was just a Hi Point and indicated it wasn`t worth much. St. Pierre stated it was his friend`s firearm. I had not had the firearm in a position for St. Pierre to see it prior to him stating the brand of firearm.

I transported St. Pierre to the Jupiter Police Department for processing. St. Pierre was subsequently booked into the Palm Beach County Jail where I charged him with the following offenses per Florida State Statute: Possession of Methamphetamine per FSS 893.13(6)(A), Carrying a Concealed Firearm per FSS 790.01(2) and Providing a False Name upon being Detained per FSS 901.36.

My on scene investigation was captured on my issued body worn camera.
