PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law

The Person taken into custody

[X] committed the below acts in my presence

[X] confessed to OFC ALVAREZ admitting to the below facts.

[ ] was observed by _____ who told _____ that he/she saw the arrested person commit the below acts

[X] was found to have committed the below acts, resulting from my (described) investigation.

On the 23 day of August, 2018 at 23:54 (Specifically include facts constituting cause for arrest.)

On 08/23/18 at approximately 2314 hours, I responded to 700 S Dixie Hwy (Railroad Depot) as a back-up officer to Officer McQuiston`s traffic stop. Upon arrival on scene, I observed the 2016 silver Ford Focus bearing Florida tag # ITIY90 that appeared to have made it to a dead end within the parking lot and attempted to turn around towards Officer McQuiston while he was conducting a traffic stop on the vehicle with his lights and siren activated.

Officer McQuiston was standing at the front passenger side door and had the only two occupants seated at the front of the vehicle with their hands on the dashboard. I stood by with the front seat passenger, W/M Joseph Terzo, as Officer McQuiston had the driver, W/F Nicole Mclean, step out of the vehicle to speak with her.

Mclean explained to Officer McQuiston that Terzo was speaking with her in the vehicle when Officer McQuiston was initialing the traffic stop on her at 200 E Palmetto Park Rd. Mclean stated she wanted to pull over but was unsure where to pull over. Mclean ultimately pulled into the parking lot of the Railroad Depot at 700 S Dixie Hwy.

While I was standing by with Terzo, who was seated in the front seat of the vehicle, Officer McQuiston asked for his identification card. While Terzo was searching through the folds within his black wallet, I observed a small clear plastic baggie with a white substance inside one of the folds of the wallet. Terzo handed me his wallet and I was able to identify the pills as a Xanax from my training and experience. I have made several arrests in the past for possession of Xanax that were white rectangular pills separated with four white lines on one side. These pills matched the description of all the other Xanax pills I have come across. Officer McQuiston placed Terzo in handcuffs and conducted a narcotics investigation (refer to case number # 2018-011271).

I observed Mclean stumbling while walking away from her vehicle to sit on the curb

PROBABLE CAUSE STATEMENT

during the narcotics investigation Officer McQuiston was conducting. After Officer McQuiston placed Terzo under arrest, I spoke with Mclean to explain to her the situation. Mclean had slurred slow speech and appeared to be dazed. I asked her if she had consumed any alcoholic beverages this evening to which she stated "no". I explained to Mclean my observations of her impaired state and requested her to submit to field sobriety tasks in order to dispel my alarm that she had been driving impaired. Mclean consented to the tasks.

The first task was the horizontal gaze nystagmus. There was a lack of smooth pursuit. Mclean moved her head to follow the pen. Mclean had nystagmus at maximum deviation. She swayed back and forth throughout the task. Mclean stated she had not had any injuries to her head or medical conditions when asked.

The second task was the walk-and-turn task. Mclean left the starting position after being instructed to stand with her left foot on the line heel to toe touching with her right foot in front. When she began walking down the line, she did not touch heel to toe and took 11 steps down. Mclean used her arms for balance and stepped off the line. Mclean did not touch heel to toe returning down the line, she stepped of the line, and she took 10 steps back.

The third task was the one leg stand. Mclean swayed and could not keep her balance. She used her arms for balance and dropped her foot several times.

The fourth task was the finger to nose (L-R-L-R-R-L). Mclean did not keep her eyes closed or her head tilted back during the task. Mclean raised her right hand instead of her left on the first and fifth moves. Mclean was swaying back and forth during the task.

The fifth task was the Rhomberg alphabet. Mclean recited the alphabet in a rhythmic manner. Mclean recited "Y and Z" at the end in a sing song way. Mclean swayed back and forth during the task.

Based on my investigation, Mclean was arrested at 2354 hours for DUI. Officer Payne arrived on scene and conducted an inventory search of Mclean`s vehicle before it was towed. Officer Payne discovered a small round blue pill, a white oval pill, half of a rectangular white pill, and a small clear baggie with white residue inside the coin pocket of a multi-colored wallet. The multi-colored wallet was found inside a multi-colored purse lying on the floorboard of the front driver`s seat. Mclean`s vehicle was towed by Westway Towing from the scene.

Officer Bissoon conducted The Intoxilyzer 8000 testing. Mclean`s breath samples were 0.000 and 0.000. Mclean provided a sample of her urine and it was submitted into the Boca Raton Evidence Department to be sent for testing. I read Mclean her constitutional

PROBABLE CAUSE STATEMENT

rights from a pre-printed department issued paper. Mclean stated she had not consumed alcohol but she had taken her prescribed Trazadone. Mclean admitted the multi-colored wallet was hers and she identified the blue pill as Alprazolam, the white rectangular pill as Xanax, and the residue inside the baggie as cocaine she previously ingested.

I verified with Poison Control (ID# 88335) that the blue pill was 1MG of Alprazolam schedule 4 substance. I used a Quick Check test kit for cocaine for the white substance inside the baggie and it tested positive for cocaine. The other two pills were too degraded to verify and will be sent for testing. The 0.2 grams of 1MG Alprazolam, 0.2 grams of cocaine with baggie, 0.2 grams of half of a rectangular white pill, and 0.2 grams of the white oval pill were submitted into the Boca Raton Evidence Department.

Mclean was charged with DUI F.S.S. 316.193(1), possession of Cocaine per F.S.S. 893.13(6A), possession of Xanax per F.S.S. 893.13(6A) and possession of Alprazolam per F.S.S. 893.13(6A).The in-car video and my MVR was submitted into evidence. Mclean was transported to the Palm Beach County Jail.
