ON THE 10 DAY OF Mar 20 19, AT 2138 AM ✓ PM

SUBJECT: Frymark, Ralph, Edward CASE NUMBER: 19046593

AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: INV. Jacob Frey

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On 10Mar19 at approximately 2148hrs I arrived at the intersection of Military Trail and N Country Club Blvd, West Palm Beach, in unincorporated Palm Beach County in reference to a Driving Under The Influence (DUI) investigation.

Upon arrival I met Cpl. Manning (13558) and D/S P Duncan (33744). Cpl. Manning told me he was traveling southbound on Military Trail south of the intersection with Melaleuca Ln. As he was slowing down to make a right turn off of Military Trail he looked into his rear view mirror and observed a black vehicle approaching the rear of his vehicle at a very high rate of speed. He said the vehicle was "weaving from the left lane to the middle lane". He said the vehicle "merged right, almost into my (Cpl. Manning) lane, nearly striking the left side of my (Cpl. Manning) patrol car". He told me as the vehicle passed at an "extremely high rate of speed" it "shook" his patrol vehicle (SUV). He then a black two door passed the left side of his marked patrol vehicle. He observed the vehicle drive "extremely fast" passed several other vehicles and weave from the right lane back into the center lane without any turn signal. He stated the other traffic on the roadway was traveling at approximately 45mph and the black vehicle was travel at approximately double the speed of the other vehicle. Cpl. Manning told me he had to drive over 90mph to catch up to the vehicle. As he caught up to the vehicle he was able to pace the vehicle at 70mph in a 45mph with his marked patrol vehicle. At this time he was able to see that the vehicle was a black Chevy Camaro (FL tag 282QRJ). He activated his emergency lights to initiate a traffic stop. The vehicle "abruptly" pulled into the left turn lane and "braked extremely hard, stopping very quickly". The vehicle then made a U-turn and accelerated northbound on Military Trail. The vehicle then turn right onto N Country Club Blvd and came to a stop.

OBSERVATION OF DRIVER:

Cpl. Manning and D/S Duncan approached the vehicle. They stated as they approached the vehicle and the windows opened they "immediately detected the overwhelming odor of alcoholic beverage emanating from the driver's body and breath". The driver was identified as Ralph Frymark by his Florida ID card. They stated he had "red glassy eyes and slurred speech". Ralph told them his driver's license was suspended and was "trying to get it taken care of" from a prior DUI. When they asked Ralph how fast he thinks he was going he replied "5mph". Ralph told them he had consumed "5 beers at Piper's (sports bar located at 6376 Forest Hill Blvd)" and was drinking since approximately 5pm. D/S Duncan completed a supplemental probable cause affidavit.

I then made contact with Ralph. He was still sitting in his vehicle. On approach I could smell the strong odor of an unknown alcoholic beverage coming from inside the vehicle. His eyes were glassy and watery. It appeared he was avoiding eye contact. When he spoke his speech was slurred and I could smell the odor of an unknown alcoholic beverage coming from his breath. When I handed him his documents back (registration and insurance) his movements were slow and sluggish. I told him that I was going to have him perform the Standard Field Sobriety Tasks (SFSTS) and he told me he was "handicapped". I asked him if he was able to walk to the front of my patrol vehicle and he said he could. As he exited the vehicle he stumbled and had to grab the door frame for support. I had him walk to the front of my patrol vehicle, he staggered and walked with a limp to the front of my patrol vehicle.

DRIVER'S STATEMENTS:

He told deputies at the scene he had 5 beers at Piper's Bar/Restaurant. Post-Miranda he told me the same.

ODORS:

The odor of an unknown alcoholic beverage coming from inside the vehicle, his person, and his breath

GENERAL OBSERVATIONS

SPEECH: **slurred**

ATTITUDE: **cooperative, sleepy**

CLOTHING: **white t-shirt, jeans, sneakers**

MEDICAL/OTHER: **He told me he told me his right leg was shorter than his left leg and his right arm is shorter than his left arm. He also told me he had an injury to his right middle finger from a bicycle accident. He told me he had rode 30 miles today and appeared to be in good physical shape.**

*****SUPPLEMENTAL PC*****

On 03/10/2019 at approximately 21:36 hours, I was patrolling the area of S. Military Tr. and Melaleuca Ln., located in Unincorporated Lake Worth, Palm Beach County, FL, in my fully parked PBSO Patrol vehicle. While driving past 4859 S Military Tr., in the far right lane, I looked into my mirrors and observed a black vehicle rapidly passing vehicles and weaving from the left lane to the middle lane. I then observed the vehicle merge right, almost into my lane, nearly striking the left side of my patrol car. The vehicle continued past my vehicle at an extremely high rate of speed to the point that it actually shook my patrol car as I slowed to approximately 20 miles per hour and pulled into the right turn lane. I observed the vehicle drive extremely fast past several other vehicles and weave from the right lane and back into the center lane without any turn signal. Regular traffic was moving at approximately 45 miles per hour, whereas the black vehicle drove past them so quickly that it appeared to be traveling at least double their speed. I then attempted to catch up to the vehicle, reaching speeds of approximately 90 miles per hour in the process. As I got behind the vehicle, which was now in the center lane, he slowed to approximately 70 miles per hour as indicated by my certified calibrated speedometer. I observed the vehicle to be a Chevrolet Camaro Z28, bearing FL Tag #282-QRJ, which FCIC reported that the registered owner has a suspended DL.

I then activated my emergency lights and siren to signal the vehicle to stop. The vehicle abruptly pulled into the far left lane and braked extremely hard, stopping very quickly. The vehicle then made a U-Turn, still not stopping, and continued northbound on S Military Tr., at approximately 30 mph. The vehicle then turned right (east) into the City of Atlantis, located at N Country Club Blvd., and S Military Tr, and pulled over into the right lane. I approached the vehicle with Cpl. W. Manning #13558 and made contact with the driver. As the windows of the vehicle were open, I immediately detected the overwhelming odor of alcoholic beverage emanating from the driver's body and breath. The driver, identified with FL ID card as Ralph Frymark, had red glassy eyes and slurred speech. He stated that he didn't have his driver's license because he got in trouble with a DUI and never got a new license issued. He further stated that his license was suspended and he was trying to get it taken care of. Ralph was asked how fast he thought he was going, to which he stated about 5mph. Ralph also stated that he had consumed approximately five (5) beers at Piper's (which is a Sports Bar located at 6376 Forest Hill Blvd., approximately 2-3 miles away). He further stated that he was drinking since about 5PM and was heading home because he has work in the morning. DUI Unit J. Frey #9658 responded to the scene and took over the ongoing investigation.

The foregoing instrument was sworn to and affirmed before me this 10th day of March 20 19, by:
