D.U.I. PROBABLE CAUSE AFFIDAVIT

ON THE 12 DAY OF Feb 20 19, AT 0048 ✓ AM PM

SUBJECT: Platt, Rebecca, Danielle CASE NUMBER: 19036234

AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: INV. Jacob Frey

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On 12Feb19 at approximately 0048hrs I was on patrol on Interstate 95 (southbound) in the area of Palm Beach Lakes Blvd, West Palm Beach, Palm Beach County.

I observed a gray Honda Accord (FL tag Z48AWU) entering the I-95 (southbound) from Palm Beach Lakes Blvd. The vehicle was rapidly accelerating. As the vehicle approached the exit for Okeechobee Blvd, I estimated the speed of the vehicle to be 92mph in a 65mph zone. This was confirmed by the audio Doppler tone and display on my STALKER DSR 2X [redacted]. As I radioed the traffic stop in I observed the vehicle slow down and swerve within the lane several times. I activated the emergency lights on my marked patrol vehicle, it took several seconds before the vehicle reacted to my lights (turned blinker on). The vehicle quickly pulled to the right side of the roadway and came to a slow stop.

OBSERVATION OF DRIVER:

I approached the passenger's side of the vehicle. There was a white female in the driver's seat, later identified as Rebecca Platt by her Florida Driver's License. I observed as she fumbled around the interior and then stuck her head out the driver's side window looking back at my patrol vehicle. When I made contact with her, I asked her for license, registration, and insurance. She handed me her driver's license. The then fumbled through the glovebox. She removed several things (flashlight, papers, owner's manual) from the glovebox and placed each one in her left. She had difficulty grasping them in her and each one fell out onto the chair. She appeared very anxious and was very fidgety. Inside the vehicle I could see a green glass bottle of beer (empty) in the driver's door pocket and several bottles of beer (empty) in the back seat on the floorboard. The inside of the vehicle was very disorganized and messy. I later approached the driver's asked her to turn the vehicle off; she turned the vehicle off and attempted to hand the keys to me. I told her to place them on the dashboard. I also told her to place her cell phone on the dashboard; she dropped her cell phone and had difficulty picking up and placing it on the dashboard. At this time I could smell the odor of an unknown alcoholic beverage coming from her breath. She exited the vehicle and I had her stand in front of my patrol vehicle. Her body swayed and again I could smell the odor of an unknown alcoholic beverage coming from her breath.

DRIVER'S STATEMENTS:

On the drive to the BAT she made several spontaneous utterance. She stated she was "sorry", she "wouldn't do this again", and she "learned her lesson". Post-Miranda she told me she had [redacted]

ODORS:

The odor of an unknown alcoholic beverage coming from her breath.

GENERAL OBSERVATIONS

SPEECH: **normal**

ATTITUDE: **cooperative, emotional, polite, excited, restless, apologetic**

CLOTHING: **white/purple fur-like coat, gray top, black shorts, white sneakers**

ROADSIDE TASKS

HORIZONTAL GAZE NYSTAGMUS:

- [x] LT EYE-LACK OF SMOOTH PURSUIT
- [x] RT EYE-LACK OF SMOOTH PURSUIT
- [x] LT EYE-DISTINCT & SUSTAINED NYSTAGMUS AT MAX. DEVIATION
- [x] RT EYE-DISTINCT & SUSTAINED NYSTAGMUS AT MAX. DEVIATION
- [x] LT- EYE-ONSET OF NYSTAGMUS PRIOR TO 45 DEGREES
- [x] RT- EYE-ONSET OF NYSTAGMUS PRIOR TO 45 DEGREES

Other Observations:

Her eyes were watery, glassy, and bloodshot. Her body swayed. She moved her head several times and I had to remind her to follow with her eyes only. She did not have Vertical Gaze Nystagmus (VGN) or Lack of Convergence (LOC).

WALK & TURN:

I instructed and demonstrated the walk and turn; she acknowledged she understood. She could not stand as is instructed and had to step off the line. She walked 12 steps forward failing to maintain heel to toe on several steps. She turned. She walked 13 steps back failing to maintain heel to toe and stepping off the line. She raised her arms from her side for balance. The task was completed on a dry and visually level surface. It is to be noted due to her thin and light body structure, the wind and passing vehicle did have an effect on her balance.

I instructed and demonstrated the one leg stand; she acknowledged she understood. She lifted her right leg approximately 18 inches off the ground. She placed her right foot down. Her body swayed. She lifted her arms from her side for balance. The task was completed on a dry and visually level surface. It is to be noted due to her thin and light body structure, the wind and passing vehicle did have an effect on her balance.

FINGER TO NOSE:

Due to the thin and light body structure of Rebecca and the windy conditions possibly affecting her balance, I decided to do the seated battery. I instructed and demonstrated the seated battery finger to nose, she acknowledge she understood. Prior to beginning the tasks she had difficulty with pointing her pointer her index finger down at her side. She had her ring finger out on both hands then changed to the middle finger. She did not close her eyes and had her eyes open during the entire task. Her head moved during the task. On each command she used the pad of her finger and not the fingertip. On the first command I had to remind her to bring her hand back down to her side. On the second command I again had to remind her to bring her hand back down to her side. On the third command she searched for her nose with her index finger. On the fifth command she touched the underside of her nose. On the sixth command she touched underside of her nose. The task was completed in the seated position.

PALM PAT:

I instructed and demonstrated the palm pat; she acknowledged she understood. I had to remind her to increase her speed. She chopped pat several times. As she sped up (after being told to), her hands stopped making contact and right hand moved off to the right of her other hand. The task was completed in the seated position.

HAND COORDINATION:

I instructed and demonstrated the hand coordination; she acknowledged she understood. She had difficulty understanding the instructions and could not place her hands as instructed. I was eventually able to get her to place her hands as instructed. On the first task, she did not could out loud as instructed and her hands did not touch as instructed (difficulty making contact). On the second task, she had difficulty clapping/making contact with her hands and did not return her hands to the memorized position. The third task she did not perform. On the fourth task, she slowly placed her hands on her legs. The task was completed in the seated position.

SUBJECT: _____ CASE NUMBER: _____

IMPLIED CONSENT FOR DUI IN A MOTOR VEHICLE

NOTE: READ ONLY THE PARAGRAPH APPLICABLE TO THE TYPE OF TEST YOU ARE REQUESTING.

I am now requesting that you submit to a lawful test of your BREATH for the purpose of determining its alcohol content.

-OR-

I am now requesting that you submit to a lawful test of your URINE for the purpose of detecting the presence of chemical or controlled substances.

-OR-

I am now requesting that you submit to a lawful test of your BLOOD for the purpose of detecting its alcohol content and the presence of chemical or controlled substances.

NOTE: READ ONLY IF THE SUBJECT DOES NOT COMPLY WITH YOUR REQUEST.

I am _____ of the _____.

If you fail to submit to the test I have requested of you, your privilege to operate a motor vehicle will be suspended for a period of one (1) year for a first refusal, or eighteen (18) months if your privilege has been previously suspended as a result of a refusal to submit to a lawful test of your breath, urine or blood. Additionally, if you refuse to submit to the test I have requested of you and if your driving privilege has been previously suspended for a prior refusal to submit to a lawful test of your breath, urine or blood, you will be committing a misdemeanor. Refusal to submit to the test I have requested of you is admissible into evidence in any criminal proceeding.

SUBJECT'S SIGNATURE: (X)_____

CONSTITUTIONAL WARNINGS

I AM REQUIRED TO WARN YOU BEFORE YOU MAKE ANY STATEMENTS THAT YOU HAVE THE FOLLOWING RIGHTS:

1. You have the right to remain silent and not answer any questions.
2. Any statement must be freely and voluntarily given.
3. You have the right to the presence of a lawyer of your choice before you make any statement and during any questioning.
4. If you cannot afford a lawyer, you are entitled to the presence of a court appointed lawyer before you make any statements and during any questioning.
5. If at any time during the interview you do not wish to answer any questions, you are privileged to remain silent.
6. I can make no threats or promises to induce you to make a statement. This must be of your own free will.
7. Any statement can and will be used against you in a court of law.
