I. Who: Robert W. Meehan, DOB: 09/04/1970

II. What: Operating a vessel while normal faculties impaired (FSS 327.35(1)(a), Refusal to submit to blood/breath/urine (FSS 327.35215(1)

III. When: 07/24/2019 at approximately 10:37 PM

IV. Where: Silver Palms boat ramp, Boca Raton, FL

V. Other information relating to BUI: 2016 SBI 27' vessel, blue in color HIN# SLPLP185K516

VI. Details of BUI:

Phase 1- Initial observation of vessel in operation:

On 07/24/2019 at approximately 9:52 PM I, Officer Richard K. Tarr a duly sworn Law Enforcement officer with the Florida Fish and Wildlife Conservation Commission (FWC) was on patrol in northern Broward county. While on patrol I was dispatched to a call received from US Coast Guard in reference to an individual boating under the influence at Silver Palms boat ramp in Boca Raton, FL.

NOT A CERTIFIED COPY

Once on scene I made contact with Petty Officer third class Christian Matranca who conducted the original vessel stop and observed the operator of the vessel to be impaired. Petty Officer Matranca advised that the vessel was stopped for operating at night without navigation lights. Petty Officer Matranca then advised that he started standard field sobriety tests, but halfway through the horizontal gaze nystagmus test the operator refused to continue with any other tests (see attached written statement from Petty Officer Matranca).

Phase 2- Personal contact with driver/operator of vessel:

I then made contact with the operator of the vessel and asked if he had been drinking. The operator advised that he wasn't going to answer that question. I then asked the operator if he would perform standard field sobriety tests, for which he also refused. I then asked to see his identification. The subject struggled to find his identification, he appeared to have a red blush face, and blood shot eyes. The subject produced a drivers license out of New Jersey. I ran the drivers license through FWC dispatch and a valid New Jersey drivers license positively identified the operator as Robert W. Meehan, DOB: 09/04/1970. I then asked Mr. Meehan if he was willing to speak with me and he agreed. I asked Mr. Meehan where he was coming from and he advised Lighthouse point yacht club. I then asked Mr. Meehan how much he had to drink and he advised maybe one drink. I also asked if he ate while at the yacht club and he advised that he did have dinner. After that I spoke with Mr. Meehan's wife Stacey Meehan, and his niece Brenda. They both advised that they have been on the water since approximately 6pm and was at Lighthouse point yacht club for approximately three hours. They also advised that Mr. Meehan had a beer or two with dinner. I then looked over the vessel for any signs of empty alcohol containers. There was an empty cup with a brown liquid in it sitting in the cup holder next to the steering wheel.

Phase 3- Pre-arrest screening and observations of driver/operator:

Mr. Meehan refused to perform all SFST's while I was on scene. Coast Guard Petty Officer third class Christian Matranca completed the Horizontal gaze nystagmus portion of SFST's before my arrival on scene (see attached written statement and SFST form).

Arrest of driver/operator of vessel:

At approximately 11:02pm I read Mr. Meehan implied consent from our agency issued form, Mr. Meehan refused. At approximately 11:03pm I placed Mr. Meehan under arrest. Mr. Meehan's vessel was released to his brother in-law Steven Finver, DOB: 06/19/1963. Mr. Meehan was transported to the West Palm beach jail and booked into the jail. After Mr. Meehan was booked into the jail I left the scene without further incident. Body cam footage available upon request.
