PROBABLE CAUSE STATEMENT

On 09/08/2018 at approximately 2134 hours, I was traveling westbound on Hypoluxo Road when I observed a Blue Honda Civic bearing Tag BWPH05 driven by a hispanic male occupant pull out in front of my vehicle from Venetian drive in the #3 lane causing me to step on the breaks in order to prevent an accident. While behind the vehicle, I observed the vehicle was having difficulty maintaining a straight pattern by swerving in and out of the lane.

Based on my observations, I activated my overhead police blue lights and conducted a traffic stop on the vehicle. The vehicle came to a final stop in the parking lot in front of 4595 Hypoluxo Road, Lake Worth Florida 33463. I approached the vehicle from the drivers side and made contact with the hispanic male driver. The driver handed me his Brazil Passport which identified him as Robson Gomes Basilio 06/26/1982 stating." I'm coming from a friends house." The driver then advised he spoke Portuguese and could only understand me a "little bit". I asked the driver if he was ok which he stated "yes". I then asked him for a driver's license which he stated he did not have. I ran Robson through PBSO Telecommunications (Dispatch) and was confirmed that he had no valid Florida issued driver's license. I noticed that Robson had blood shot glassy eyes and an odor of an unknown alcoholic beverage coming from his breath. I asked Robson if he had consumed alcohol beverages which he replied he had about seven beers. Based on the above elements a DUI unit was requested and Deputy White #7209 came to the scene to perform his investigation.

This is a supplemental probable cause to the original report.

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On Saturday, September 8, 2018 at approximately 2145 hours, I responded to 4545 Hypoluxo Road, Lake Worth (Palm Beach County) Florida to assist Deputy B. Black with a traffic stop that involved a possible drunk driver. Deputy A. Alphonso was also en route for translation. Upon my arrival I entered into the Wal Mart parking plaza located at 4545 Hypoluxo Road. I noticed D/S Alphonso standing next to a Hispanic male. I made contact with D/S Black who told me the following regarding her encounter with the defendant: On 09/08/2018 at approximately 2134 hours, I was traveling westbound on Hypoluxo Road when I observed a Blue Honda Civic bearing Tag BWPH05 driven by a hispanic male occupant pull out in front of my vehicle from Venetian drive in the #3 lane causing me to step on the breaks in order to prevent an accident. While behind the vehicle, I observed the vehicle was having difficulty maintaining a straight pattern by swerving in and out of the lane.
Based on my observations, I activated my overhead police blue lights and conducted a traffic stop on the vehicle. The vehicle came to a final stop in the parking lot in front of 4595 Hypoluxo Road, Lake Worth Florida 33463. I approached the vehicle from the drivers side and made contact with the hispanic male driver. The driver handed me his Brazil Passport which identified him as Robson Gomes Basilio 06/26/1982 stating." I'm coming from a friends house." The driver then advised he spoke Portuguese and could only understand me a "little bit". I asked the driver if he was ok which he stated "yes". I then asked him for a driver's license which he stated he did not have. I ran Robson through PBSO Telecommunications (Dispatch) and was confirmed that he had no valid Florida issued driver's license. I noticed that Robson had blood shot glassy eyes and an odor of an unknown alcoholic beverage coming from his breath. I asked Robson if he had consumed alcohol beverages which he replied he had about seven beers. Based on the above elements a DUI unit was requested and Deputy White #7209 came to the scene to perform his investigation: D/S Black wrote a sworn witness statement on a probable cause affidavit.

OBSERVATION OF DRIVER:

I made contact with the driver who was currently standing next to his blue Honda Civic. I later identified him as Rosbon Gomes Basilio by a fictional Florida identification card. The card had his pictured photograph. During my interview I noticed his eyes were red, watery and glassy. His cheeks were flushed and mouth was dry. He was unsteady in his feet and could not maintain his balance on occasion. I could smell a strong odor of an unknown alcoholic beverage emanating from his breath that intensified when he spoke. D/S Alphonso assisted me with translation. I told the driver I had a suspicion he had been drinking an unspecified amount of alcoholic beverages. He told us he had a few drinks. I asked if he would consent to performing Standardized Field Sobriety Evaluations (SFSTs) for the purpose of determining if he was impaired while operating a motor vehicle. He consented to performing the SFSTs. Prior to his performance I asked if he had any physical problems with his body that would inhibit him from performing light physical movements. I also asked if he was on medication. The defendant conveyed he neither had anything wrong with him physically, nor was he taking medication. I escorted him to a smooth and level surface that was free from obstructions and debris. The area was well lighted by street lighting inside the parking lot. The following SFSTs were explained, demonstrated, translated and acknowledged by him prior to his performance: HGN, The Walk and Turn, The One Leg Stand and The Finger to Nose. His deficiencies were recorded on another form on this worksheet. At the conclusion of the SFSTs, coupled with the D/S Black's observation of the defendant's vehicle in motion and my observation of personal indicators of impairment exhibited by the defendant, probable cause was established for DUI. I told the defendant he was being placed under lawful arrest for DUI. He was searched and handcuffed, prior to being seated in the rear of D/S Alphonso's patrol car. The defendant's vehicle was properly parked in a parking space and he asked to leave it there. Meanwhile D/S Alphonso and I proceeded to the main jail breath analysis facility for further processing. Upon our arrival we escorted the defendant into the facility and began a 20 minute observation period. During this time he ingested nothing into his body orally or otherwise. He also did not regurgitate. Afterward we escorted him into the testing room and asked him to provide breath samples for the purpose of determining his alcohol content. He obliged. He gave two adequate samples of his breath that rendered consecutive results of .110. Miranda was read, but the defendant did not want to be interviewed. The defendant was cited for driving without a valid driver license and DUI. He was booked into the main jail without incident.

DRIVER'S STATEMENTS:
