Probable Cause

ROUGH ARREST REPORT*** A more detailed probable cause affidavit will be submitted to the Palm Beach County State Attorney's office at a later time.

On 9/8/2018 I was dispatched to a reported hit and run vehicle crash in the area of Interstate 95 southbound and Gateway Boulevard. The complainant had pulled off the Interstate and was waiting in a parking lot east of Interstate 95 off of NE 1st Court. I spoke to the complainant and identified him by his Florida drivers license as Gregory P. Brett (FL DL: B63029549126 0). Mr. Brett had one front right passenger who was the registered owner of the vehicle, Linda R. Bard. I observed damage to the left front side of the silver Honda CRV (NH tag: MV-ISLE) driven by the complainant. Mr. Brett stated that he was traveling south on Interstate 95 when he was struck in the left front side by a white Ram pickup truck with a Florida tag of DLRR22. Ms. Bard was able to take a photograph of the rear of the alleged hit and run vehicle. A search with FCIC/NCIC showed that the Florida tag of DLRR22 belonged to a white 2016 Ram pickup registered to a Santo Robert Licamara (FL DL: L

256796641750) who had a listed address of 6756 Brookhurst Circle, Lake Worth, FL 33463. After obtaining sworn witness statements from Mr. Brett and Ms. Bard I traveled to the above address and made contact with the wife of Mr. Licamara, Teresa Licamara (DOB: 3/20/1973). Mrs. Licamara provided me the cell phone number of Mr. Licamara (#954-610-1950) and also used her cell phone to place a call to Mr. Licamara. She allowed me to speak with him using her cell phone. Mr. Licamara admitted to driving the white Ram pickup truck and being involved in a vehicle crash but alleged that he did pull over but didn't see anyone else pull over so he left the scene. He provided me his current address of 1535 23rd Way, Deerfield Beach, FL. On 9/10/2018 I traveled to the above address and spoke to Mr. Licamara. I located the white 2016 Ram pickup truck with a Florida tag of DLRR22 and observed damage to the right rear side consistent with an impact with the left front side of the silver Honda CRV driven by Mr. Brett. I read Mr. Licamara his Miranda Rights from my Florida Highway Patrol Miranda warning card prior to speaking with him. He stated that he understood his rights and agreed to speak with me. He admitted to driving the white Ram pickup truck on Interstate 95 on the day of the alleged incident and stated that he believed that he had struck a tire or some type of roadway debris. He claims to have pulled over to the shoulder and when he did not see any other vehicles he left the scene. He admitted that he did not contact any law enforcement agency to report the incident. He did state that he did call his insurance company to report the incident. Based upon the above information and the totality of the circumstances I determined that there is probable cause to believe that Santo Robert Licamara did commit the offense of hit and run as outlined in Florida State Statute 316.061. He was placed under arrest for the above offense and handcuffed behind his back. He was transported to the Palm Beach County Jail without incident. The principle offense occurred in Palm Beach County, FL. The arrest took place in Broward County, FL.
