D.U.I. PROBABLE CAUSE AFFIDAVIT

ON THE 30TH DAY OF JANUARY 20 19, AT 22:06 AM PM

SUBJECT: Sizemore Sarah E CASE NUMBER: 19031679

AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: Corporal R Soriano

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On Wednesday January 30, 2019 at approximately 22:06 hours, I responded to the 1400 block of Hampton Road in West Palm Beach, Fl 33405 in regards to a vehicle crash with injuries. Upon arrival, I observed several City of West Palm Beach Police vehicles parked at the front gate. Upon exiting my vehicle I observed a large gate with bob wire on the ground. I observed the hinges were twisted towards the property as if they were twisted with force. I could see red lights flashing to the rear of the property off to my left (SE). Upon entering the property and rounding the corner, I observed two police officers for the City of West Palm Beach standing with a female who was seated on the ground wearing a burgundy and black dress. I also observed blue GMC 4 door pickup truck bearing Florida tag "ICG385" which was stopped at an incline on an approximate 12 ft pile of crushed asphalt milling's. I could smell a strong odor of rubber as I neared the pickup truck. I observed the driver side rear tire was dug into the pile of crushed asphalt as it appeared the driver was spinning its wheels. I then met with Officer Shirey #2819 and Officer Potter #1959 who told me the following; "officer Potter and I responded to the area of Tuxedo Ave/Belvedere Rd in reference to a drunk pedestrian. Upon my arrival, the caller advised me that the person in question, described as a white female wearing a maroon dress, had entered a blue GMC pickup truck and left Southbound on Tuxedo Ave. The caller felt that the female was intoxicated due to instability on her feet and erratic driving pattern as she drove away. After giving me this information, the caller left the area and I was unable to obtain any of his personal information. I then checked Southbound on Tuxedo Ave until I reached its end and located a rolling chain link gate that led to an open field with cargo containers within. The chain link gate was knocked over and there were what appeared to be fresh tire prints in the sand and gravel ground behind it on the South side of the gate, indicating that a vehicle had just driving through the gate. It should be noted that the metal vertical support poles of the gate were bent inward, also indicating that a vehicle had just driven through it while it was in a closed position.

Ofc Potter and I then walked southbound through the open field, with a continuous row of cargo containers to the West of us. When we reached the South end of the aforementioned row of cargo containers, we looked around the containers to the West, and located a 2014 dark blue GMC Sierra pickup truck (FL Tag ICG385), that had come to a stop on a large pile of gravel with the hood of the truck at the top of the incline at approximately a 45 degree angle from the ground. The tread of the rear tires had been worn almost completely and there was a pile of fresh rubber on the ground immediately behind the tires that was smoking, indicating that the tires had spun on the ground extensively while the truck remained stationary.

As we approached the vehicle, we located a white female, later identified as Sarah Sizemore, unconscious in the driver seat. As Ofc Potter and I approached the passenger side of the vehicle, we called out to Sizemore. Sizemore then awoke and began hiccuping. We then requested medical assistance from dispatch and noticed that the vehicle was in drive. Ofc Potter was able to enter the vehicle from the rear passenger side door and put the vehicle in park. Sizemore then exited the vehicle from the driver door and began walking down the gravel pile. As she walked down the gravel pile, she was unsteady on her feet, almost falling to the ground before she sat down at the base of the pile.

Sizemore began asking to call her boyfriend repeatedly, saying that she was unaware of what happened, and she advised that she did not know where she was. It should be noted that Sizemore's eyes were glassy and bloodshot. After Sizemore was out of the vehicle, I detected the odor of an unknown alcoholic beverage emanating from her persona, which became stronger each time she spoke. After medics arrived to the scene, Sizemore stood, again being unstable on her feet, almost falling to the ground several times.

After being on scene for several minutes, it was determined that this incident occurred in Palm Beach County Sheriff's Office jurisdiction. After medics cleared Sizemore on scene, PBSO responded to the scene and took over the investigation." (A supplemental P.C. affidavit was also completed)

OBSERVATION OF DRIVER:

I observed the female on the ground was wearing a burgundy and black dress and was sitting on the ground crying. Officer Potter handed me the females driver's license who I identified as Sarah Elizabeth Sizemore. While speaking to Sizemore, I observed that she was shaking and would not stop crying. Sizemore would repeatedly stated she wanted to call her mother. Sizemore stated she did not want to talk to me and only wanted to call her mother. I observed Sizemore's eyes appeared red and glossy. I detected a strong odor of an unknown alcoholic beverage coming from her breath as she was crying and yelling. I observed Sizemore was wearing black fishnet stockings of which one appeared to have pulled down by Sizemore. I observed she was wearing sandals which she kept kicking off and then trying to put back on. I walked over to the pickup truck and attempted to locate Sizemore's phone in the rear seat area. Upon opening the door, I observed a clear handle bottle of Tito's vodka which was almost empty sitting on the floor board next to a blue cooler. I stood by while Investigator Lynch #8568 took photos of the scene and of Sizemore prior to escorting her to the outside of the property near my patrol vehicle. Once outside of the property, I made contact with the original witness Servidson Jean Baptist who provided a sworn taped statement stating he observed Sizemore and her current description and getting into a blue GMC pickup truck. He observed the pickup truck proceed southbound on Tuxedo Avenue and through a chain link fence. For a verbatim statement refer to Investigator White's in car video for Jean Baptist video statement.

DRIVER'S STATEMENTS:

I asked Sizemore if she had been drinking or used any drugs. Sizemore began to yell as she continued to cry, stating that she wanted to call her mother. I once again asked her if she had been drinking or used any drugs and she refused to answer.

ODORS:

Obvious odor of an unknown alcoholic beverage

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody
- ☐ committed the below acts in my presence.
- ☐ confessed to _____ admitting to the below facts.
- ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
- ☒ was found to have commited the below acts, resulting from my (described) investigation.

On the 30th day of JANUARY 2019 at 21:40 ☐ A.M. ☐ P.M. (Specifically include facts constituting cause for arrest.)

On 1/30/2019, at approximately 2140 hours, officer Potter and I responded to the area of Tuxedo Ave/Belvedere Rd in reference to a drunk pedestrian. Upon my arrival, the caller advised me that the person in question, described as a white female wearing a maroon dress, had entered a blue GMC pickup truck and left Southbound on Tuxedo Ave. The caller felt that the female was intoxicated due to instability on her feet and erratic driving pattern as she drove away. After giving me this information, the caller left the area and I was unable to obtain any of his personal information.

I then checked Southbound on Tuxedo Ave until I reached its end and located a rolling chain link gate that led to an open field with cargo containers within. The chain link gate was knocked over and there were what appeared to be fresh tire prints in the sand and gravel ground behind it on the South side of the gate, indicating that a vehicle had just driving through the gate. It should be noted that the metal vertical support poles of the gate were bent inward, also indicating that a vehicle had just driven through it while it was in a closed position.

Ofc Potter and I then walked southbound through the open field, with a continuous row of cargo containers to the West of us. When we reached the South end of the afformentioned row of cargo containers, we looked around the containers to the West, and located a 2014 dark blue GMC Sierra pickup truck (FL Tag ICG385), that had come to a stop on a large pile of gravel with the hood of the truck at the top of the incline at approximately a 45 degree angle from the ground. The tread of the rear tires had been worn almost completely and there was a pile of fresh rubber on the ground immediately behind the tires that was smoking, indicating that the tires had spun on the ground extensively while the truck remained stationary.

As we approached the vehicle, we located a white female, later identified as Sarah Sizemore, unconscious in the driver seat. As Ofc Potter and I approached the passenger side of the vehicle, we called out to Sizemore. Sizemore then awoke and began hiccuping. We then requested medical assistance from dispatch and noticed that the vehicle was in drive. Ofc Potter was able to enter the vehicle from the rear passenger side door and put the vehicle in park. Sizemore then exited the vehicle from the driver door and began walking down the gravel pile. As she walked down the gravel pile, she was unsteady on her feet, almost falling to the ground before she sat down at the base of the pile.

Sizemore began asking to call her boyfriend repeatedly, saying that she was unaware of what happened, and she advised that she did not know where she was. It should be noted that Sizemore's eyes were glassy and bloodshot. After Sizemore was out of the vehicle, I detected the odor of an unknown alcoholic beverage emanating from her person, which became stronger each time she spoke. After medics arrived to the scene, Sizemore stood, again being unstable on her feet, almost falling to the ground several times.

After being on scene for several minutes, it was determined that this incident occurred in Palm Beach County Sheriff's Office jurisdiction. After medics cleared Sizemore on scene, PBSO responded to the scene and took over the investigation. This concludes my involvement in this case.
