PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody . . .

☐ committed the below acts in my presence.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☐ confessed to _____ admitting to the below facts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 27 day of October, 2018 at 23:08 (Specifically include facts constituting cause for arrest.)

On Saturday, October 27, 2018 at 23:08hrs, I, Officer Cameron Carver, responded to 4500 PGA Boulevard, in the City of Palm Beach Gardens in Palm Beach County, Florida, to assist Officer Ryan Smith #489 in his traffic stop. My department issued body worn camera and in-car dash camera was utilized in this investigation and subsequently uploaded to Evidence.com and tagged accordingly. Officer Smith requested I respond and upon my arrival advised he observed the stopped vehicle stop at a traffic light and proceed into the middle of the intersection while the light was still red. The vehicle then drove at the paced speed of 55mph down a 45mph zone and was swerving between the lane. The vehicle made an abrupt lane change from the right lane to the middle lane. Upon initiating the traffic stop, the vehicle stopped in the middle of the roadway, then abruptly made a right turn and made another abrupt turn into the parking lot where it came to final rest. Refer to Officer Smith`s supplemental report for complete details of his involvement. I observed a gray Volkswagen Passat bearing Florida license plate HQQ7W stopped in a parking space at 4500 PGA Boulevard, which is the vehicle Officer Smith observed performing those traffic infractions.

Upon approach to the Passat, I observed a white male, later identified via Florida driver`s license as Scott Marshall Greenbaum sitting in the driver`s seat and the sole occupant of the Passat. I observed the Passat to be in disarray with documents thrown around in the passenger seat and floor board and cash and credit cards clipped together underneath the driver`s seat. The Passat was still running, and I requested Greenbaum to turn the vehicle off. Greenbaum had difficulty with motor vehicle controls by fumbling around to find his keys in the ignition. Once he found it, he turned the car off and tossed the keys in the front passenger seat. While speaking with Greenbaum I asked if he knew where he was, and he stated Palm Beach Gardens, specifically PGA Boulevard. I asked Greenbaum where he was coming from, he stated a football game party in Parkland, FL. Greenbaum stated he was going home, to Jupiter, FL. I asked Greenbaum what time he left the party, he stated 6:30pm. While speaking with Greenbaum from the driver`s window

PROBABLE CAUSE STATEMENT

I could smell the odor of the impurities of an alcoholic beverage emitting from his breath as he spoke. I asked Greenbaum how much alcohol he consumed, which he replied "two-beers." Greenbaum uttered he does not drink often. I observed Greenbaum to be wearing a gray Florida Gator`s shirt, tan shorts and brown flip-flops. Greenbaum`s speech was slurred, and he provided inconsistent answers to my questions during my encounter with him. I observed Greenbaum`s eyes to be glassy and watery and his pupils dilated more than the average person. I asked Greenbaum to perform a series of Standardized Field Sobriety Tasks (SFST`s). Greenbaum agreed to perform SFST`s. I requested Greenbaum to exit the vehicle, which he did by hastily exiting the vehicle. Greenbaum gave consent to be searched, which only his sunglasses were found on him. Greenbaum stumbled as he walked from his vehicle over to the testing area. I asked Greenbaum the prescreening questions prior to conducting the SFST`s. Greenbaum stated he drank alcohol, has ADD and takes prescription Adderall and had no issues with walking or keeping balance. Greenbaum stated he consumed no drugs only his prescription medication (Adderall) at 12:00pm. Greenbaum stated the last he ate a slice of pizza at 4:00pm. Greenbaum performed the tasks on a flat, dry surface that was well lit.

HORIZONTAL GAZE NYSTAGMUS/LIGHTED PEN EXERCISE
I conducted a "lighted pen exercise" and explained the instructions to Greenbaum, who stated he understood. I first checked Greenbaum`s eyes for reaction to light. I observed the pupils to react normally to light in the left/right eye. I checked Greenbaum`s eyes for equal pupil size, resting jerking of the eye (nystagmus) and equal tracking. I conducted the exercise and observed a lack of smooth pursuit in Greenbaum`s both eyes. Greenbaum had distinct and sustained jerking (nystagmus) at maximum deviation. Greenbaum had onset of jerking (nystagmus) prior to 45 degrees in both eyes. Greenbaum had vertical jerking/bouncing (nystagmus) in both eyes. I observed 6 of 6 clues, indicating impairment.

LACK OF CONVERGENCE
I conducted the Lack of Convergence exercise and explained the process to Greenbaum, who stated he understood. I conducted three circular passes, checking that Greenbaum tracked the stimulus. I found Lack of Convergence is present in Greenbaum`s right eye, as the eye did not stay focused on the stimulus as I moved to the bridge of his nose. His left eye was able to maintain focus on the stimulus. This indicated Greenbaum is potentially under the influence of a drug or narcotic.

Refer to the DUI Probable Cause Affidavit for results of the SFST`s.

Based on Officer Smith`s statements of Greenbaum`s driving pattern and the Standardized Field Sobriety Tasks, I determined Greenbaum was impaired and could not operate a motor vehicle safely on the roadways of this state. I placed Greenbaum under arrest for driving a motor vehicle under the influence of alcohol. Greenbaum was read his Miranda Warnings at the scene and made the following Post-Miranda Statements: He did not

understand why he was under arrest because he did not believe he was under the influence. Greenbaum also stated he works with the BSO (Broward Sheriff`s Office) stating the firm he works for represents them. Greenbaum stated he didn`t want special treatment, however wanted to know when he could notify his employer David Ferguson about the incident.

A vehicle inventory was conducted on the Passat by Officer Smith. Officer Smith found an orange prescription bottle with what he believed to be suspect Marijuana. Post-Miranda Greenbaum stated to Ofc. Smith the contents "must be Marijuana." Ofc. Smith informed me a Dequenois-Levine Reagent test kit was used on the suspect Marijuana, which tested positive.

Greenbaum was transported to the Palm Beach County Breath Alcohol Testing Center (BAT) without incident, where he was observed for 20 minutes and did not ingest anything or vomit. I brought Greenbaum on camera and asked him to submit to the breath test. Greenbaum refused to provide a breath sample. Greenbaum was read the Implied Consent, which he again refused. Due to Greenbaum`s refusal a Drug Recognition Expert (DRE) was not called to assess Greenbaum.

Greenbaum reiterated he remembered and understood his Miranda Warnings and agreed to answer questions from the Palm Beach County Sheriff`s Office Question and Answer sheet. Greenbaum contradicted his earlier statements at the scene by stating he did not drink alcohol, he got a ride from Parkland to Lake Worth where he hung out with his friends and then drove to PGA Boulevard. Greenbaum stated he started driving at 9:30pm not 6:30pm, then changed again to 7:30 to 8:00pm as to when he began to drive home. Greenbaum was taken to intake without incident.

Based on the totality of circumstances from my investigation, I find Scott Marshall Greenbaum in actual physical control of and did operate a vehicle in and on the streets of Palm Beach Garden while under the influence and was affected to the extent that his normal faculties were impaired, in violation of Florida State Statute 316.193(1) [A56GXIE]. I also find probable cause to charge Greenbaum with Possession of Marijuana under 20gm, in violation of Florida State Statue 893.13(6)(b) [A9YXQOE]. Greenbaum was also cited for Careless Driving in violation of Florida State Statute 316.1925(1) [A9YXQNE] and cited by Officer Smith for Failure to Stop at a Traffic Signal in violation of Florida State Statute 316.075(1)(c)(1) [A9YXJLE].
