PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

[X] committed the below acts in my presence.

[ ] confessed to _____ admitting to the below facts.

[ ] was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

[ ] was found to have committed the below acts, resulting from my (described) investigation.

On the 9 day of December, 2018 at 03:02 (Specifically include facts constituting cause for arrest.)

On the above date at approximately 0302 hours I was on routine patrol in the area of West Indiantown Road and Loxahatchee Drive in the Town of Jupiter, Palm Beach County, Florida. I was in my assigned unmarked Dodge Charger. Though unmarked, my vehicle has a full light package, driver`s side external spotlight and is equipped with a standard police car siren. Please see video in evidence.com of my vehicle with full emergency lights activated. I was dressed in my full Jupiter Police uniform and external vest.

I was traveling east when I observed a grey pickup truck (later found to be IJDP43) bearing Florida license plate traveling towards me at a high rate of speed. I visually estimated the vehicle`s speed at 60 miles per hour. The truck was moving significantly faster than other traffic. I was unable to get a positive radar readout on the vehicle due to other traffic in the area. I turned around and began to follow the vehicle. It had gained some distance on me due to other westbound traffic. The vehicle had slowed to about 50 miles per hour as it passed a marked Jupiter Police vehicle on the south side of West Indiantown Road. In the area of Delaware Avenue, the vehicle again sped up significantly to a visually estimated speed of 70 miles per hour. I activated my radar in same direction moving mode. I saw the patrol speed matched my certified speedometer. The target speed indicated 68 miles per hour and I heard a clear Doppler tone. There were no vehicles between mine and the truck. The truck was also swerving within its lane.

The truck got into the left hand turn lane at Center Street and stopped at the red light. I followed and announced my intention to stop the vehicle over the police radio. PFC Quiros was in the right turn lane on eastbound West Indiantown Road directly across the intersection. PFC Farinacci arrived behind me in another fully marked Jupiter Police vehicle. As the vehicle turned left onto Center Street I activated my lights and briefly activated my siren. The vehicle continued and turned into the Walmart parking lot. I was not concerned at this point as it is common for vehicles I

stop in this area to stop in that parking lot. Instead of turning into the parking lot, the vehicle continued west along the road in front of the store. I activated my siren and left it on at this point until the vehicle came to a stop. The vehicle continued through the parking lot and then turned left onto Bush Road and the right into Sentimental Journey. The vehicle continued through the development and stopped outside the residence at 17400 Sentimental Journey. The final stop occurred about 50 seconds after I first activated my lights and sirens and about 35 seconds after I activated my siren the second time.

I immediately exited my vehicle and drew my departmentally approved weapon and pointed it at the driver, Sean Norlander. Norlander was casually rolling the windows up. I gave verbal commands to Norlander to show me his hands. I had to repeat myself several times to get compliance. Norlander then put his hands out the window before putting his right hand back in and taking the keys out of the ignition and throwing them on the back seat. Norlander then opened the door and started to exit. I chose to give Norlander commands to come out and patted him down for weapons, as I could see a number of bulges on his person at that time.

I could smell a very strong odor of an unknown alcoholic beverage on Norlander`s person. Norlander had blood shot, glassy eyes. I had to repeat commands to Norlander several times to maintain his compliance and attention. Norlander was very quiet. He denied drinking at all when asked.

I then read Norlander his Miranda Rights from a prepared text. Norlander indicated that he understood. Norlander refused to answer any questions I had of him. I then asked Norlander to complete roadsides. Norlander declined. I advised Norlander of Taylor Warnings and briefly explained the tasks, though Norlander had his arms crossed and shook his head negatively during this time. Norlander stated he would not complete roadside tasks and stated he understood the consequences of refusing.

At that time I placed Norlander under arrest for DUI and Fleeing / Attempting to Elude. I secured him in handcuffs which I checked for spacing and double locked. I then secured Norlander in the rear of my police vehicle and seat belted him in.

I conducted a search of Norlander`s vehicle for evidence of DUI. Norlander is the sole registered owner of the vehicle and was the sole occupant. In the glove box, in plain view upon opening it, I located the following: A cigarette box with a multicolor glass pipe with residue that I recognized as a marijuana pipe and a cigarette box with a few cigarettes, a lighter, and black unmarked pill capsule containing a white power. I recognized the pill as one consistent in manner and packaging with street level narcotics, though I was unsure of what the powder was at first. I asked PFC Farinacci, a former Street Crimes Agent with extensive narcotics experience what he thought it was. At first, he suggested it was cocaine powder, but it field tested negatively. PFC

Farinacci suggested it may by MDMA, which is commonly known as "Ecstasy". An NIK field test kit reacted positively for the presence of MDMA or Methamphetamine.

I then briefly transported Norlander to the Jupiter Police Department and then the Palm Beach County Breath Alcohol Testing Facility. I conducted a 20 minute observation period. Norlander then refused to provide a sample of his breath. I read Implied Consent from a prepared text, which Norlander indicated that he understood and again declined to provide a breath sample. I secured Norlander in a holding cell while I completed my paperwork. I then booked Norlander into the Palm Beach County Jail where I charged him with the following crimes: DUI per FSS 316.193(1), Fleeing / Attempting to Elude Police per FSS 316.1935(1), Possession of MDMA per FSS 893.13(6)(A), and Possession of Drug Paraphernalia per FSS 893.147(1).
