PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☐ was found to have committed the below acts, resulting from my (described) investigation.

On the 3 day of May, 2018 at 23:36 (Specifically include facts constituting cause for arrest.)

On the above date at approximately 2336 hours, I was on routine patrol in the area of Indiancreek Parkway and Military Trail, in the Town of Jupiter, Palm Beach County, Florida.

I was in a fully marked Jupiter police car, which features prominent jurisdictional marking and has an overhead external light bar. I was facing east on Indiancreek Parkway at the intersection with Military Trail. When the light for eastbound traffic turned green, I noticed a 2015 Toyota with what I later saw was Florida license plate 143PWA traveling north on Military Trail approaching the intersection. It appeared as if it would not stop, in spite of the solid red light I could see for northbound Military Trail. The vehicle traveled through the intersection without stopping, several seconds after the light turned solid red. I immediately activated my lights and sirens and traveled through the intersection. I quickly caught up to the vehicle, which made no attempt to stop or yield.

The vehicle continued northbound in the right hand through lane. I could see the vehicle was weaving side to side. As the vehicle approached the intersection with Jupiter Lakes Boulevard, it activated its right turn signal. The light was red. The vehicle proceeded to make a red turn at the red light without stopping. The vehicle then traveled east on Jupiter Lakes Boulevard. It turned into 431 Jupiter Lakes Boulevard and proceeded through the parking lot before stopping outside the 2109 building. This was a distance of approximately 1.5 miles. I had my lights and sirens activated behind Nieto for nearly two full minutes, during which time he made no attempt to yield or stop.

The driver's side door opened and a male later identified to me as Sebastian Nieto attempted to exit. I drew my departmentally approved duty weapon and pointed it at Nieto. I gave Nieto commands to stay in the car and show his hands to me. Nieto was

slow to respond. Nieto then stood up and refused several commands to sit back down. I secured Nieto in handcuffs along with Officer Turner. I could smell the odor of an unknown alcoholic beverage coming from Nieto when I walked up to him. Nieto was very unsteady on his feet. His face was droopy as were his eyes, which were also bloodshot and glassy. Nieto`s speech was heavily slurred. Nieto`s appearance was disheveled.

I walked Nieto to the front of my nearby vehicle. I read Nieto his Miranda Rights from a prepared text. Nieto stated he understood and asked several times to just go home. I asked Nieto how much he`d had to drink and he stated that he hadn`t. I asked Nieto again and he refused to answer. Nieto stated he couldn`t remember where he was coming from. I asked Nieto to complete SFSTs. He indicated he would. I told Nieto they were voluntary and he did not have to, though there were consequences for refusing. Neito agreed. I set up a line with tape nearby and released Nieto from handcuffs.

I first conducted HGN. I observed all six signs of HGN; Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees. I did not observe VGN. Nieto had difficulty following my instructions and I had to remind him several times to keep his head still.

I then started Walk and Turn. During the instructions phase, Nieto lost his balance several times. He had significant difficulty following my instructions and getting in the starting position. Nieto then took 10 steps. None were heel to toe and none were on the line. Nieto stumbled as he walked with an extremely unsteady gait. Nieto then turned around and faced me. Nieto stated, "I just want to go home and go to bed".

I then started the One Leg Stand task. Nieto did not raise his foot off the ground. I told Nieto to and he did briefly before placing it back down on the ground while swaying. Nieto was unable to perform the task as instructed due to his obviously highly intoxicated state.

I then terminated all roadside tasks for Nieto`s safety and placed Nieto under arrest. I secured Nieto in handcuffs which I checked for spacing and double locked. Nieto stated over and over that he just wanted to go home. I secured Nieto in the back of my patrol car. I turned the keys to Nieto`s vehicle over to his mother at his residence.

I transported Nieto to the Palm Beach County Breath Alcohol Testing Facility, during which time, Nieto asked incessantly to go home. I conducted a 20 minute observation period to ensure Neito did not take anything by mouth or regurgitate. I requested that Nieto provide a sample of his breath. Neito declined. I read Implied Consent from a prepared text, which Nieto stated he understood and again declined to provide a sample of his breath. Neito stated he wouldn`t provide a sample without his lawyer. I informed Neito that he did not have the right to a lawyer at that point and again confirmed he did not wish to provide a sample of his breath. I then read Neito his

Miranda Rights from a prepared text, which he indicated that he understood. I did not attempt to interview Neito as he had already asked for a lawyer at that point.

While in a holding cell, Neito knocked on the door constantly and asked over and over to go home in spite of being told that he could not. Neito also made statements including, "What`s the big deal?" and "You don`t have jurisdiction over me".

I placed Neito in a holding cell while I completed my paperwork. I then booked Neito into the Palm Beach County Jail where I charged him with Fleeing or Attempting to Elude a Marked Police Car per FSS 316.1935(2) and DUI per FSS 316.193(1).
