Probable Cause

Trooper Bilal Shafique and I, Trooper Julian Burgos, were dispatched to a reckless driver call on January 20th, 2019 in Palm Beach County at 6:33am. When we arrived on scene, a Fort Lauderdale police officer was conducting a traffic stop on a black Land Rover Range Rover with the Florida tag of DMFC43 on the right shoulder at southbound State Road 91 (Florida Turnpike) at mile marker 82. I identified the police officer as Rodolfio Oliva. Officer Oliva informed me that the vehicle had been swerving and was unable to maintain a lane. The vehicle crossed over the lane markers numerous times. The vehicle also almost sideswiped another vehicle. Officer Oliva filled out a witness statement and provided the case number of 341901011032.

When I approached the vehicle, the driver opened up the trunk to the vehicle. I closed the trunk and

eyes. I asked the driver why he had been swerving. He informed me that he was looking at his cell phone. I was able to identify the driver as Sergio Alvarez by his Florida driver's license. The vehicle also did not have the correct tag attached to the vehicle. Mr. Alvarez was able to find the correct tag inside of his vehicle. The correct tag to the vehicle was CIT2408. Both tags belonged to Mr. Alvarez.

While Mr. Alvarez was outside of his vehicle, I asked if he would like to perform Standard Field Sobriety Exercises. Mr. Alvarez agreed to perform the exercises. Trooper Shafique read Mr. Alvarez his Miranda rights, and Mr. Alvarez agreed to speak with us. During the Horizontal Gaze Nystgamus exercises, there were lack of smooth pursuit, distinct and sustained Nystagmus at maximum deviation, and onset of Nystagmus prior to forty-five degrees. Mr. Alvarez stated that he was not drinking. Mr. Alvarez later stated that he had one beer.

Trooper Shafique and I transported Mr. Alvarez to State Road 91 exit ramp at mile marker 82 to continue the exercises at a safer location in the Glades Road Toll Plaza parking lot . Mr. Alvarez said his girlfriend was on her way to pick up the vehicle, and Officer Oliva was going to wait with the vehicle until she arrived. During the Walk and Turn exercise, Mr. Alvarez took ten steps each way and was not walking heel-to-toe. During the One Leg Stand exercise, Mr. Alvarez lifted his arms three times and lost his balance.

When Trooper Shafique and I were transporting Mr. Alvarez to Palm Beach County Corrections, we saw Officer Oliva still waiting with the vehicle. We stopped back at the scene and called a tow truck to have the vehicle towed. Officer Oliva was able to show me footage before he left the scene.
