PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 20 day of February, 2014 at 22:18 (Specifically include facts constituting cause for arrest.)

On Feb. 20 2014 at approximately 2223, I responded to the area of Donald Ross Village in reference to a Be On The Lookout (BOLO) for a possible impaired driver. The vehicle was described as a black Hyundai car with a white female driver. As I approached the CVS at Donald Ross Village I observed a black vehicle make a wide turn leaving Donald Ross Village heading toward Cielo residential community. I observed that the yellow decal on the vehicle was altered. I activated my emergency red and blue lights to stop the vehicle bearing Florida tag BJPN58. The final stop was in front of Cielo front gate entrance.

When I approached the vehicle I advised the white female driver and sole occupant why I had stopped her and asked for her drivers license. She stated that her license was suspended but she had it but did not have anything else. I then asked her where she was coming from and she advised she was just leaving a restaurant in Donald Ross Village. When she gave me her license, I asked her to turn the vehicle off while I ran her information at which time she said "Why are you doing this, I`m just trying to get home?" I advised he to stay in her vehicle and I would be right back. While in my vehicle I noticed she turned her car on and was trying to put the car in drive, I jumped out of my marked police car and ran to her driver side door and yelled "turn your car off". She responded by screaming "fuck you, I`m leaving". I reached into her vehicle and tried to get the keys from the igniting at which point she put the car in drive and raised the window of the drivers side door with my right arm still inside the vehicle. She then put the car in reverse with my arm trapped in the vehicle and proceeded to reverse. I had to run along side her vehicle as I tried to free my arm, As this was going on I was yelling at her repeatedly to stop her car. Her car did not stop until she hit my car which was located behind hers.

I was then able to free my arm from the door and pulled her out of her vehicle. When she was out, she repeatedly attempted to free her self from my grasp. I held her up against my police vehicle until my back up arrived.

On the 20 day of February, 2014 at 22:18 (Specifically include facts constituting cause for arrest.)

On 2/20/14 at 10:18 p.m. Palm Beach Gardens Police dispatch advised of a possible impaired driver leaving Donald Ross Village in a black Hyundai. Dispatch advised that the driver was a white female that appeared to be stumbling as she walked to her car. As Officer Ayala approached the CVS inside Donald Ross Village he observed a black vehicle make a wide turn leaving Donald Ross Village toward the Cielo residential community. Officer Ayala was behind the black Hyundai and observed the yellow decal was altered. Officer Ayala then activated his emergency red and blue lights to stop the Hyundai. The Hyundai stopped at the entrance to Cielo. A computer check of the Florida tag showed the tag expired in March of 2013 and the decal was displaying 11 14. Officer Ayala made contact with the white female driver and sole occupant who was identified by the photograph on her Florida drivers license as Sharon Kathryn Manassa. Manassa advised her license was suspended. Officer Ayala had Manassa turn off her vehicle and to sit in the vehicle while he checked on her license. As Officer Ayala was in his vehicle he observed Manassa turn her vehicle on and appeared to be trying to put the vehicle in drive. Officer Ayala ran over to the drivers window and yelled at Manassa to put the car in park and turn it off. As Manassa attempted to drive away, Officer Ayala reached in to turn off the car and Manassa rolled up the window on Officer Ayala`s arm. Manassa then backed up and struck Officer Ayala`s marked police car. Officer Ayala called for help at which time myself and other officers responded with priority. Upon my arrival I spoke with Officer Ayala who was rubbing his right arm and advised his arm was hurt in the shoulder and from his elbow down felt numb. After Officer Ayala advised me that when Manassa crashed into his car, he was able to get the drivers door unlocked and opened the drivers door when Manassa stopped. After I completed my investigation Officer Ayala went to the Palm Beach Gardens Medical Center for treatment.

I then went over to Manassa and had her walk over to my patrol car. While speaking with Manassa I smelled a moderate odor of an unknown alcoholic beverage coming from her breath as she spoke, her speech was slurred, her eyes were glassy and she was unsteady on her

feet swaying and stumbling the entire time. My observations of Manassa: moderate odor of an unk alcoholic beverage, slurred speech, glassy eyes, unsteady on her feet swaying entire time. Since Manassa was in handcuffs and since she backed into a police car and injured a police officer I read Manassa her Miranda rights. Manassa advised she understood her rights. I asked Manassa what happened and why she backed into the police car and she stated that she didn`t, that a car was coming at them and the Officer ran into the back of her car. I advised Manassa that the officer was standing at her window and was not operating the patrol car. Manassa then started saying that her daughter has cancer and she was not dealing with that well. I advised Manassa that the decal on her vehicle didn`t belong on it and she stated "I don`t have a job and can`t afford to take care of it".

I advised Manassa that my crash investigation was complete and she was at fault. I then advised Manassa that I was now conducting an investigation to determine if she was under the influence and asked her to perform sobriety tasks. I asked Manassa if she has any medical problems, injuries or takes any medication. Manassa advised that she takes Lexapro, Clonazepam and Trazadone for Anxiety and depression. I asked Manassa if she has any problems with her eyes and she stated she wears contacts but that is all. Manassa then performed the sobreity tasks. The tasks Manassa was able to perform she performed poorly, see DUI roadside tasks for results. At that time, based upon the totality of the circumstances I placed Manassa under arrest for DUI. I handcuffed Manassa, the handcuffs were double locked and checked for fit. I then placed Manassa in the backseat of my patrol car. A tow truck was called for Manassa`s vehicle and while an inventory was being performed, an open Heineken can was located behind the drivers seat that was cool to the touch and still had approximate 1/8th of beer in the can.

A computer check verified that Manassa`s license was currently revoked for one year on 7/23/13 for DUI.

I then transported Manassa to the Palm Beach County Breath Alcohol Testing Center (BAT) without incident with Manassa talking most of the ride. Just Prior to leaving Manassa did state that she wanted to be baker acted and that she needs to detox from alcohol. Upon arrival at the BAT I conducted a twenty minute observation where Manassa put nothing in her mouth and did not vomit. After the twenty minute observation I brought Manassa on camera and asked her to submit to the breath test and Manassa agreed. At 12:47 Manassa blew a .122 and at 12:50 Manassa blew a .125. Manassa was read the results and explained the results. I then re-read Manassa her Miranda rights which she again stated she understood and she refused to answer any questions.

Manassa did operate a vehicle on the streets of Palm Beach Gardens, in Palm Beach County with an unlawful BrAC to the extent that her normal faculties were impaired and caused a crash contrary to Florida State Statute 316.193(3)(c)(1). Manassa did actually and intentionally touch or strike a law enforcement officer against the officers will while

Officer Ayala was engaged in lawful performance of his duties and in committing the battery used a vehicle to cause injury to the officer, contrary to Florida State Statute 784.07(2)(d). Manassa did counterfeit and attach a decal that does not belong contrary to Florida State Statute 320.26(1). Manassa did also operate a vehicle on the streets of Palm Beach Gardens, in Palm Beach County with a suspended license contrary to Florida State Statute 322.34(2). I also issued Manassa a citation for having an open container of alcohol in the vehicle for the open Heineken can that had approximate 1/8th of beer still in it and was cool to the touch.
