NARRATIVE

Harold stated that she was out to dinner with some friends and was contacted by a female who lives down the street from her at the above address. She advised that the female indicated that she was at her house with her husband, W/M Barney Koenig. Harold immediately returned home and found a vehicle in the driveway that belonged to a neighbor who is known to associate with the aforementioned female. The vehicle left upon Harold`s return and she ultimately went inside the house to question Koenig. She immediately began yelling at Koenig, asking him "where is she, I know she is here." Koenig replied that she was in the bedroom; however, Harold confirmed that the female was not in the house. Harold further stated that she went into the kitchen and removed the dinner she had brought home for him after he stated that he was going to bring it to the female in question. She then stated that he grabbed her right arm and was able to pull away. She further stated that she was pushed into the cabinets and left the house where she was met by Boca Raton Police. After further questioning, Harold stated that she was grabbed and then left the house without mentioning the incident where she was pushed into the cabinets. I then asked her why the food containers were still on the counter and the hamburgers that Koenig was cooking, were on the floor. Harold stated that she meant to say that she grabbed the hamburgers and not the take out food she brought for Koenig. I observed Harold and there was no signs of injury. She further stated that she was not in need of any medical treatment.

I then made contact with Koenig who stated that Harold returned home from dinner and immediately began questioning him about his female friend who is also his neighbor. She was yelling and screaming while moving through the house and ultimately met up with Koenig in the kitchen. Harold grabbed the hamburger plate and threw it on the ground. She immediately went into the backyard to tip over Koenig`s barbecue grill. While trying to tip it over, Koenig pulled her off the grill, at which point Harold pulled his hair and pushed him in the chest. Harold left the backyard and was met by the police in the driveway. I found no injuries on Koenig and he stated that he was not in need of any medical attention.

Subsequent to my investigation, I found Harold to be the primary aggessor in this case. She changed her story numerous times and was uncooperative during the investigation. Additionally, she admitted to going to the residence to confront Koenig. She was subsequently charged with FSS 784.03(1A1) Battery (Domestic). Koenig signed the receipt for the domestic violence pamphlet while on scene which was placed into BRPD records. Harold was then turned over to Palm Beach County Jail.
