NARRATIVE:

Between 03/19/2018 and 05/10/2018 the known 27-year-old defendant, Palm Beach County School District teacher Stephen Jack Tori, engaged in a relationship, romantic in nature, with a known 17-year-old [redacted] During this romantic relationship the defendant engaged in sexual conduct and performed lewd conduct with the victim on eight separate occasions. Between 03/19/2018 and 05/11/2018 the defendant on twelve separate occasions, transmitted descriptions of sexual conduct or sexual excitement via text messages, that was harmful to the minor victim.

Upon receiving an anonymous letter to [redacted] alleging [redacted] was receiving car rides and having an "inappropriate relationship" with teacher Stephen Tori, I conducted separate sworn recorded interviews with [redacted] and teacher Stephen Tori. On May 14, 2018 [redacted] provided her sworn recorded statement advising that over the past three months she has received rides home from teacher Stephen Tori, because she was unable to get rides home from an afterschool writing club, called the Society of Future Authors (SOFA). [redacted] denied that she had any type of inappropriate relationship or that she had any sexual relationship with teacher Stephen Tori. [redacted] did confirm that she had Mr. Tori's cell phone in her contact list of her cell phone and that she occasionally communicated with teacher Stephen Tori via text messaging. [redacted] stated she considered Mr. Tori to be her mentor.

On 05/15/2018 I conducted a sworn recorded statement with teacher Stephen Tori. [redacted] Principal Dr. Campbell was present during the sworn recorded interview. During this interview, teacher Stephen Tori provided me with his home address and told me that 561-358-5632 was his cell phone number. Teacher Tori admitted to taking student [redacted] home after SOFA on approximately ten different occasions. Teacher Tori denied having any type of inappropriate or sexual relationship with [redacted].

Teacher Tori disclosed that he was [redacted] writing teacher during her sophomore year, and, other than being her teacher, he did not have much contact with [redacted] Teacher Tori stated that during [redacted] junior year, she was in his SOFA after school program and she turned in a poem which talked about [redacted] being sexually abused. Teacher Tori confronted [redacted] about the poem, and she disclosed that a family member, who no longer lives in the State of Florida, had sexually abused her when she was a younger child. Teacher Tori stated that he notified the school's guidance counselor about the disclosure [redacted] made to him, and he, along with the Guidance Counselor, notified the Child Abuse Hotline. Teacher Tori advised the disclosure made by [redacted] and his reporting the incident to the Child Abuse Hotline, occurred approximately in September of 2017. Teacher Tori stated that after this incident, he felt obligated and responsible to help and mentor [redacted] the best he could. Teacher Tori stated that he would allow [redacted] to come into his classroom during her lunch break, and that he had an open door policy for all students.

During this investigation, I discovered that teacher Stephen Tori did file a report to the Child Abuse Hotline, involving the allegations that [redacted] made to him. The Child Abuse Report (Intake Report #2017-246112-01) was made by Stephen Tori on 08/22/2017 at 0928 hrs. Within the Child Abuse Hotline Report, teacher Tori provided the allegation and the date of birth of [redacted], which was listed on the Intake Report as 03/18/2001, which is [redacted] actual date of birth. It is clear that teacher Stephen Tori was aware of [redacted] age and date of birth.

Due to the fact that the identity of the anonymous reportee was unknown, there were no specific allegations of sexual misconduct or independent witnesses, and both student [redacted] and teacher Tori denied any criminal behavior occurred between them, my initial investigation was closed.

On 07/17/2018, I conducted a sworn recorded interview with [redacted] Assistant Principal Sharina Gilbert- Henry. A.P. Gilbert-Henry stated that on 07/11/2018, while working at the school, she received a call from an unknown female, who claimed to be a former student from [redacted] The unknown caller stated that she wanted to remain anonymous. The anonymous caller told A.P. Gilbert-Henry that a current female student at [redacted] was having a sexual relationship with teacher Stephen Tori. The anonymous caller disclosed that the female student had received several car rides home from Mr. Tori, and that they engaged in oral sex on several different occasions, but they did not have sexual intercourse. The anonymous caller also talked about a student known as [redacted] who may be having an inappropriate relationship with teacher Tori. The anonymous caller disclosed that Mr. Tori was aware that the student he was having oral sex with, was sexually abuse abused in the past, and Mr. Tori told the Guidance Counselor at school but did not self-report the allegation. The anonymous caller also stated that the student having the sexual relationship with Mr. Tori has lately been smoking and drinking heavily, and she was afraid to bring this information forward.

A.P. Gilbert-Henry stated that the anonymous caller slipped and mentioned the name [redacted] when she was talking about the student who was having oral sex with teacher Tori. The anonymous caller also stated the school administration should be aware of the incident because it was investigated last school year.

I later learned the identity of the anonymous caller, who identified herself as [redacted] Witness [redacted] told me during a phone interview that she was the person who spoke with A.P. Gilbert-Henry. Witness [redacted] stated that [redacted] told her about her sexual relationship with teacher Stephen Tori when it began last school year. Witness [redacted] provided me with her contact information, and stated she would be willing to assist with this case if needed.

On 08/08/2018, I conducted a sworn recorded interview with teacher Gina Picarelli. Witness Picarelli stated that she has worked with teacher Stephen Tori for the past four years, and their classrooms are close to each other. Witness Picarelli stated on 08/07/2018, between 1430 and 1500 hrs, teacher Tori came to her classroom and appeared to be upset.

NOT A CERTIFIED COPY

When witness Picarelli asked him what was wrong, he told her that he was very upset that a particular student recently has been constantly texting and calling him " all over a kiss". Witness Picarelli stated that she was shocked when she heard teacher Tori make that statement, and it made her feel very uneasy. Witness Picarelli advised she then told her friend and fellow teacher, Mrs. Marisa, about what teacher Tori stated to her. She and Mrs. Santos discussed the incident, and decided that it needed to be reported to the school's principal, Dr. Campbell. On the morning of 08/08/2018, witness Picarelli reported the incident to Dr. Campbell.

On 08/10/2018, I conducted a second sworn recorded interview with teacher Stephen Tori at [redacted] During this interview, he confirmed that his cell phone number was 561-358-5632. I asked teacher Tori if he had student [redacted]'s cell number in his contacts, and he stated he did. I asked if he could look up his contacts and tell me student [redacted] cell phone number. Teacher Tori complied and told me that student [redacted] cell number was [redacted] During this interview, teacher Tori denied ever telling another teacher about a student or anything involving a kiss. He also denied having any type of inappropriate relationship with [redacted] and denied ever having oral sex with [redacted]

On 08/10/2018, after my interview was completed with teacher Tori, I was advised that [redacted] was in a separate office with teacher Marisa Santos, and that student [redacted] had additional information to tell me. Upon my arrival in the office with student [redacted] and teacher Santos, it was apparent that student [redacted] was crying and was upset. I asked student [redacted] what was wrong, and she disclosed to me that she lied to me when I interviewed her back in May of 2018. I asked her to explain what she lied about, and she disclosed that she did have a sexual relationship with teacher Stephen Tori between March 2018 and May of 2018. She stated that on several different occasions, she and Mr. Tori performed oral sex on each other inside his car, when he would give her rides home after their SOFA club. Teacher Marisa Santos witnessed the disclosures made to me by [redacted]

On 08/15/2018, at approximately 1655 hrs, the victim, [redacted], provided a sworn recorded audio/video statement to me at the Butterfly House. Victim Advocate Susan Williams was present during the statement. During the sworn recorded statement, the victim was able to tell me the difference between telling the truth and telling a lie. The victim explained to me why she was not truthful to me during my initial interview with her on 05/14/2018, and then raised her right hand to promise and/or swear that everything she was about to tell me was the truth. Victim [redacted] disclosed the following information.

The victim stated during Spring Break of 2018, between 03/19/2018 and 03/26/2018, she and the defendant were exchanging multiple text messages, WhatsApp messages, and talking to each other using their cell phones. During this time frame, the victim stated she sent the defendant several pictures of herself in various states of dress, to include pictures of her in her bra and panties, along with totally nude pictures of herself. The defendant never sent any pictures of himself to the victim. Cell phone records from the victim's cellular provider and the defendant's cellular provider, show over 350 texts, calls, or Wifi communication occurred between them during the 2018 Spring Break period.

The victim stated that 03/27/2018 was the first time she and the defendant "hooked up". The victim stated on her first day back from school things were "tense" because of all the communication between herself and the defendant during Spring Break. On 03/27/2018, after school was out, the victim received a ride from the defendant in his car. The victim described the defendant's car as a 2012, gray in color, four door Honda Civic, with un-tinted windows. Once in the defendant's car, they drove to the dead end of 140th Ave., past Community Park, which was located near Acreage Pines Elementary School in Loxahatchee, Florida. Once at the dead end, the defendant and the victim began to kiss with a closed mouth, and then eventually were kissing with open mouths, while sitting in the front seats of the Honda. The victim then climbed on top of the defendant as he was sitting in the front driver's seat. The victim was facing the defendant while she was sitting on top of him, at which time the defendant began to place his finger inside the victim's

NOT A CERTIFIED COPY

vagina, causing her to climax. The victim stated that her vagina began to bleed, at which point the defendant stopped fingering her vagina, and he then drove her home.

The victim was not sure when the second sexual encounter occurred with the defendant, but she believed it was approximately a week after 03/27/2018. The victim stated that when the defendant gave her a ride home after school, they drove to the same dead end on 140th Ave, in the defendant's Honda. Once at the dead end, they began to kiss and make out, and she climbed on top of the defendant as he was sitting in the front driver's seat. The victim stated the defendant did not digitally penetrate her vagina this time, but they moved to the back seat area of the Honda, at which time the defendant began to perform oral sex on her vagina, and she then performed oral sex on his penis. Then they performed oral sex on each other at the same time in a "69" position. After the oral sex was concluded, the defendant drove the victim home.

Between April 2018 and May 9th 2018, the victim stated that on approximately four other occasions, she received a ride home after school from the defendant. They drove to the same dead end, in the defendant's Honda, and performed the same type of sexual activity in the car. The other four times started with both the victim and defendant kissing, which lead them to the back seat of the car, and then they each performed oral sex on each other. The victim stated they only performed the "69" position once during their second sexual encounter in April.

The victim disclosed that 05/10/2018 was the last time she and the defendant had sexual contact with each other. The victim stated the defendant wasn't feeling very well that day, but he did give her a ride home after school. While driving down [redacted] the defendant fondled the victim's breasts and vagina under her clothing. The victim moved closer to the defendant as he was driving, and the defendant leaned over and placed his mouth on the victim's nipples. They did not stop at the dead end this day, and the defendant drove the victim home.

The victim stated the defendant was well aware that she was not 18 years of age, and she knew he was 27 years of age. The defendant told her several times that he could get in serious trouble and possibly go to jail or prison if anyone ever found out. The victim stated that she reassured the defendant that she would never tell anyone. The victim disclosed that all sexual encounters with the defendant were consensual, and she was never forced or threatened by the defendant. The victim stated that she actually fell in love with the defendant, and she was hoping they could have a relationship after she graduated from high school.

On 08/29/2018 at approximately 1530 hrs, I conducted an additional sworn recorded statement with the victim at her residence. Victim Advocate Jennifer Kuipers was present during the interview. During this interview the victim was able to authenticate and explain several pictures that were recovered from her cell phone during a forensic examination conducted by Agent Paul Harrington, from Jupiter Police Department. At the end of the interview, the victim disclosed that on 05/10/2018, during school hours, she was vaping THC oil, and texting with the defendant. She then went to his class [redacted] during his break. While in his classroom, with no students present, she took off her shoulder style top, and the defendant touched her breasts, and placed his mouth on her breasts.

During the course of the investigation I took photos of the dead end on 140th Ave., just past the Community Park in Loxahatchee, Florida. I also took photos of the defendant's 2012 Honda Civic, as it sat in the driveway of his residence. The defendant's Honda Civic matched the description provided by the victim.

The victim's cell phone was forensically examined, twice, by Jupiter P.D. Agent Paul Harrington. During the first exam, between 08/14/2018 and 08/16/2018, Agent Harrington was able to downloaded all current data that was on the victim's phone, prior to attempting any extraction of data from the phone. A disc with the current data that was on the victim's phone revealed 83 contacts in her cell phone. Contact #79 had the name of "Victoria", with the cell number of 561-358-5632, which is the same cell # for the defendant. The victim told me that she initially had the defendant listed in her contacts as "T", but then, during their relationship, she changed his contact name to "Victoria", in an attempt to

NOT A CERTIFIED COPY

hide the defendant's identity within her phone. Several images were observed on the victim's cell phone, that were actually snapshots of WhatsApp texts between the victim and the defendant.

One of the images (image #66, dated 06/25/2018 @ 1618 hrs, from "Victoria") stated the following: "First things first, this is all my fault for letting it get this far. But I have never been involved with anything like this before and I realize now it is something that should never happen. But this will pass and life goes on. Your in a rough spot now but things get better but you can't wallow in the bad stuff. At the same time, you have to make an effort. I think that both of us read this differently, but in the end it will pass and you will have plenty of experiences in the future with other people. Just remember, it's only been a few weeks. Give it some more time. I not good idea to see each other and it doesn't help texting every week. Making sure everything turns out okay is the most important thing. I'm truly am sorry, I don't know what else to say to make it better. I don't want to come off as selfish, I am just very concerned for my future and it's making me feel desperate. Please understand that this is hard for me too and again, I'm sorry."

Image #102, dated 07/30/18 @ 0034 hrs, from "Victoria", stated, "This is just how it has to be for now. We just keep our heads down and act like nothing happened and get through the year."

Image #103, dated 07/30/2018 @0038 hrs, from [redacted] stated, "Okay. It is what it is. And what happens if we get through the year?"

Image #104, dated 07/30/2018 @0042 hrs, from "Victoria", stated, "I'm not sure, I don't want to make any promises. You'll be too busy by that time anyway."

Image #105, dated 07/30/2018 @0045 hrs, from [redacted] stated "Are you implying there might be hope for us? I said might, there is no promising of anything."

Image #106, dated 07/30/2018 @0059 hrs, from "Victoria", stated, "I'm sorry but you have better things to look forward to and I don't want this to be any more of a distraction."...from [redacted], "It wasn't a distraction until things became suspicious to people with no proof, no one knows anything still and I'm glad they don't. But just, now we just got to get."

Image #107, dated 07/30/2018 @ 0107 hrs, from "Victoria", stated, "Right. Once everything is in the clear we can reevaluate, but in the mean time, enjoy your senior year."

The second cell phone forensic exam, conducted by Agent Harrington between 09/18/2018 and 09/20/2018, involved extracting SMS text messages from the victim's SMS backup & Restore app that was on the victim's cell phone. Agent Harrington was able to download message conversations between the victim and the defendant's cell phone, identified by his phone number (561) 358-5632. The conversation between the victim and the defendant began on 09/29/2018, and ended on 05/12/2018. There were 1720 text messages (126 printed pages) between the victim and the defendant during this time frame.

While reviewing the recovered text messages, I identified data (twelve text messages) transmitted to the victim, from the defendant, that described sexual conduct, sexual excitement, or were obscene; thus being harmful to the minor victim. The twelve texts transmitted are as follows:

1. Page #85, 05/01/2018 @15:50:52 "But it's hard thinking of me between"...05/01/2018 @15:56:01 "Oh those thighs"...page #86, 05/01/2018 @16:04:52 "Good thing I'm not near you. Right now, Id go wherever you wanted".
2. Page #92, 05/02/2018 @16:00:31 "I want to bury my face between your legs."
3. On page 104 and 105, the victim is describing to the defendant a dream she had, and she is describing their anticipation about the defendant wanting to take her (having sex). On page #105, 05/10/2018 @07:37:31 "I

NOT A CERTIFIED COPY

4. want to very much, and it's been adding up for quite a while"... 05/10/2018 @07:44:07 "hate to break it to you, but all that adding up may lead to a pretty quick first time lol".
5. Page #111, 05/10/2018 @14:30:04 "Ugh, I just want you to sit on my face".
6. Page #112, the victim texted the defendant, stating, "Im so wet"...05/10/2018 @15:26:49 "Just pretend it's me down there."
7. Page #113, 05/10/2018 @15:46:41 "I'd like to release my tension all over...".
8. Page #117, the victim is talking about taking a shower, and asked the defendant if he knew what she was daydreaming about earlier. 05/11/2018 @14:47:52 "Right after you sit on my face".
9. Page #117, 05/11/2018 @14:57:51 "That's what I thought about while releaving the tention from yesterday...three times".
10. Page 117, the victim texts the defendant talking about him imagining how tight she must be. 05/11/2018 @15:02:07 "So tight, and so wet"
11. Page #117, 05/11/2018 @15:08:00 "I love licking your pretty pussy and I can't wait to get inside you."
12. Page #118, 05/11/2018 @15:14:39 "I want to kiss your nipples while you ride me".
13. Page #118, 05/11/2018 @15:21:08 "I would, or just mean back and watch you twerk on it".

All of the above listed SMS texts appropriately correspond with the dates and times of the cell phone records received from the victim's cell phone provider (Sprint), and the defendant's cell phone carrier (AT&T).

Based upon the above listed information, there is probable cause that the known defendant, Stephen Jack Tori, who is a teacher for the Palm Beach County School District, did, while 27 years old, engage in oral, anal, or vaginal penetration by, or union with, the sexual organ of, [redacted] who was a 17-year-old [redacted] on eight separate occasions, contrary to Florida Statute 794.05(1), Unlawful Sexual Activity with a Minor, Felony in the 2nd Degree.

The defendant also, knowing the victim was a minor, did transmit information or data that is harmful to minors, via the SMS texts, on 12 separate occasions, contrary to Florida Statute 847.0138, Transmission of material harmful to minors to a minor by electronic device or equipment, Felony in the 3rd Degree.
