Probable Cause

ROUGH ARREST REPORT A more detailed probable cause affidvait will be submitted to the Palm Beach County State Attorney's Office at a later time.

FEB 16TH 1:55

On 2/16/2019 at approximately 4:17PM Trooper Zion Todd (#1453) informed the Lake Worth Regional Communications Center (LWRCC) that he had encounted a driver passed out behind the wheel on the Interstate 95 exit ramp to Hypoluxo Road. I traveled to the above location and observed a silver Kia Optima (FL tag: 769QKQ) parked in the outside left turn lane of the northbound Interstate 95 exit ramp to Hypoluxo Road. Trooper Todd's patrol vehicle was parked ahead of the silver Kia Optima with emergency lights activated. I spoke to Trooper Todd who briefed me on the situation. He stated that he observed the subject had pinpoint pupils. I introduced myself to the driver of the silver Kia Optima that was observed passed out behind the wheel and identified him by his Florida drivers license as Steve

Sagonas III (FL DL: S252780834640). I spoke to Mr. Sagonas and also observed that he had pinpoint pupils. I asked him where he was coming from and he stated that he was coming from work at the Buffalo Wild Wings. He stated that he began work at 11:00AM and ended his shift at 4:00PM and was driving home. He stated that he was extremely tired. I asked him why he didn't wake up after other drivers honked at his vehicle and he stated that he had his radio on a high volume. I asked him if he had anything to drink and he stated no. I asked him if had taken any medications and he stated no. When asked if he had any medical conditions he stated that he had a deviated septum and sleep apnea. I asked Mr. Sagonas if he was willing to perform standardized field sobriety exercises and he agreed. The results of those exercises are summarized below. Each exercise was explained and demonstrated to the subject prior to the subject attempting to perform the exercise when applicable.

Horizontal Gaze Nystagmus Exercise
-Pinpoint pupils in both eyes
-Moved entire head at times when specifically asked not to

Walk and Turn Exercise
-Used arms to balance on multiple steps
-On return steps appeared to lose balance and almost fall over

One Leg Stand Exercise
-Placed foot down multiple times
-Appeared to be unsteady on his feet

Based upon the performance of the above exercises and the totality of the circumstances I determined that there was probable cause to believe that Steve Sagonas III committed the offense of driving under the influence by being in actual physical control/operating a motor vehicle while under the influence of alcohol or any controlled substance per Chapter 893, while their normal faculties were impaired. He was placed under arrest for the above offense and handcuffed. After being searched he was placed in the backseat of my marked patrol vehicle. The silver Kia Optima was towed from the scene by a rotational wrecker. Mr. Sagonas III was transported to the Palm Beach County Breath Alcohol Testing (BAT) facility. During the drive to the BAT facility Mr. Sagonas III appeared to fall asleep in the backseat of my patrol vehicle. At the BAT facility a 20 minute observation period was conducted where the driver did not ingest anything by mouth or regurgitate (mouth was confirmed to be empty prior to beginning of the observation period). He was then asked to provide a breath test sample to test for the alcoholic content of his breath. He agreed to provide the breath test samples and blew a 0.000 for the first and second samples. I then asked him if he was willing to provide a urine sample to test for the presence of chemical or controlled substances and he agreed to provide the sample. He was read the Florida Implied Consent drivers license suspension warning in case of the event that he would be unable to provide the urine sample. At approximately 6:51PM Mr. Sagonas III was able to provide the urine sample which was then labeld, sealed and later transported to the FHP Lantana substation for toxicology testing. He was subsequently booked at the Palm Beach County Jail without incident. Steve Sagonas III was issued a uniform traffic citation for DUI in addition to a uniform traffic citation for improper stopping. All of the above events occurred in Palm Beach County, FL.

Note: My patrol vehicle is equipped with in car video and audio that is available upon request.
