NARRATIVE

Northcom Communication advised that the caller stated her father struck her brother with an ice cream container and that he had a lump on his head, as well as his finger was bleeding. The caller`s brother called her and told her to not call the police because he was scared the father would get more upset. The caller stated that her brother would meet officers down the road.

Upon my arrival, I made contact with an unknown male subject who was later identified as Matthew Ralph Merlo (W/M - 11/21/1996). I made contact with Matthew on the west side of the Jupiter Medical Center (Emergency Room Parking area).

I obtained a sworn recorded statement. In which Matthew stated the following: He was in the kitchen getting ice cream out of a container. He advised that while he was scooping out ice cream some of it fell on the table. He advised that his father, Terry Merlo (W/M - 05/11/1963) was getting angry that Matthew spilled the ice cream on the kitchen table. Matthew advised that Terry was getting angry which caused a verbal altercation that occurred between the two. Matthew stated this was not the first time Terry got angry due to ice cream being on the table. Matthew stated during the verbal altercation, Terry grabbed the empty ice cream container and struck Matthew on the left rear side of his head. Matthew advised that he felt a bump on the spot where Terry struck him. Matthew mentioned that he also had a small laceration on his right pointer finger in which he advised he did not know how it got there and that it was slightly bleeding after the incident occurred. Matthew advised that after the incident, he went to his room for approximately twenty minutes, and then walked out of the house towards the Jupiter Medical Center.

I proceeded to make contact with Terry at the residence. Upon making contact with Terry I read him his Miranda Rights from a preprinted card, to which Terry stated that he understood. Post Miranda, Terry stated that when Matthew and he were in the kitchen, he told Matthew to make sure he cleaned up the ice cream. Terry stated that a verbal altercation between the two occurred due to Matthew being disrespectful. Terry admitted to throwing the ice cream container that did hit Matthew, however he did not know where exactly it hit him. Terry stated Matthew then went to his room for a few minutes and left the house to go walking.

Based on my investigation, I found probable cause to arrest Terry Merlo for domestic battery because he did actually and intentionally touch or strike *(Matthew Ralph Merlo) against the will of *(Matthew Ralph Merlo) (or) did intentionally cause bodily harm to *(Matthew Ralph Merlo) and *(Matthew Ralph Merlo) was a family or household member of *(Terry Merlo), contrary to Florida Statute 784.03(1) and 741.283 (1 DEG MISD)

I advised Terry that he was being placed under arrest for domestic battery to which he advised he understood. Terry was placed into handcuffs which were double locked, checked for tightness and transported to the Palm Beach County Jail for processing with no incident.
