PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the **6** day of **September**, **2018** at **02:31** (Specifically include facts constituting cause for arrest.)

On 9/6/18, I responded to 800 E Palmetto Park Rd., in reference to backing-up Ofc. Castillo. Ofc. Castillo was investigating an accident that occurred in the City of Boca Raton in the area of 800 E Palmetto Park Rd. Ofc. Castillo who advised that an accident occurred between a Grey Chevy Cruze bearing Fl tag# 531QLR and a light pole. Ofc. Castillo was able to make contact with the driver who was still sitting in driver seat. Ofc. Castillo advised that independent witness, Jessica Pepitone and Joelle Reyes, witnessed the entire crash and were able to place the driver of the Chevy Cruze behind the wheel. The driver of the Chevy was identified as W/F Tina Pace. Pace stated to Ofc. Castillo that she had one drink earlier in the night when she was at Blue Martini. Ofc. Castillo added he could smell a strong odor of an alcoholic beverage emanating from her person; her eyes were blood shot and glossy. See Ofc. Castillo`s report for further information.

I then met with Pace who was standing by the Chevy Cruze. I then asked her to walk over to the front of my patrol car. As Pace walked over to the front of my car she seemed unsteady. I informed Pace that Ofc. Castillo had handled the crash investigation, which was over, and I would be conducting a criminal investigation. I then read Pace her Constitutional Warnings in the presence of Ofc. Alvarez who was on scene. Pace advised that she understood and would answer my questions. I asked her what happened in the accident and she stated, she did not know. Pace stated she left from Boca`s Best after picking up food to-go. Pace said prior to driving at Boca`s Best she was at Blue Martini and stated she only had one drink. I asked Pace how she ended up hitting the pole, which she said she did not know. While speaking with Pace I could smell an odor of an alcoholic beverage emanating from her person, her eyes were glossy, and she was slurring her speech.

Based on my observations I asked Pace if she would submit to roadside sobriety tasks and Pace stated that she would submit to the tasks. I then walked her over to a

well-lit area and asked her if she had any medical problems or medical issues that would prevent her from doing the tasks. Pace advised that she had no medical or physical issues that would prevent her from conducting the tasks. The tasks that were conducted were the Walk and Turn, One Leg Stand, Finger to Nose, and the Rhomberg Alphabet.

The first SFST was the Walk and Turn. Pace was unable to maintain the starting position. She failed to keep her feet heel to toe. She kept on starting the task over and over before being told to begin. Pace was unable to keep her balance for step # 1, and step # 6 moving forward when she was finally told to begin the task, on her way back Pace did not complete the task heal to toe and did not take a small series of steps as she was turning. Pace also stepped off the line several times.

The second SFST was the One Leg Stand. Pace started the task before being told to begin, once she was told to begin she counted 1006 twice before correcting herself. Pace was unable to keep her foot six inches off the ground as instructed. She swayed during the task and put her foot down several times. She never counted as instructed.

The third SFST was the Finger to Nose. (L-R-L-R-R-L). Pace did not keep her head back and eyes closed as instructed throughout the task. The first Left Pace touched the tip of her nose and held it and looked over to me. Her first right she touched her right nostril; the second left and second right she touched her nose; the third right she used her left hand then corrected and used the right finger and on the final left she touched her left nostril.

The fourth SFST was the Rhomberg Alphabet which she was able to recite only in a rhythmic manner.

Based on the above information I placed Pace under arrest for DUI. I then transported her to BRPD. Ofc. Deen responded to BRPD as my Breath Test Operator. Ofc. Deen and I conducted the 20-minute observation and then she was taken into the BAT room. Pace provide two samples of .148, .145. See DUI influence report. Pace is being charged under F.S.S. 316.193(1) for DUI. Pace was transported to BRRH then to Palm Beach County Jail for further processing. Pace`s vehicle was towed by West Way.
