NARRATIVE:

On January 12th, 2019, DS Tatum #7648 responded to 131 South J Street, city of Lake Worth, FL reference a graffiti complainant. Upon arrival, DS Tatum met with complainant Oswald Blair, WM, 10/23/1956 that advised the following facts: On 01/12/2019 at 0600hrs, he noticed vandalism on his wood fence. He checked his CCTV system and observed an unknown male approach his fence then spray paint 'KILL A COP SAVE A LIFE' with a star, hammer and sickle at the end. Blair provided a copy of the CCTV footage to DS Tatum who in turn disseminated an email to all District 14 personnel including still photographs of the suspect. This case was documented under PBSO Case #19-024939.

Det. Donovan reviewed the email and recalled seeing the same suspect in an 'Officer Safety' BOLO sent by Boynton Beach Police Department on August 21, 2018, case #18-42900. This officer safety BOLO was written by Officer Jennings after conducting a traffic stop on a 2007 red in color, Toyota Prius bearing FL tag #GCVV85. Officer Jennings made contact with vehicle operator /owner Tyler A. Miller, WM, 10/25/1994 of 1307 Rainbow Avenue, WPB, FL. Located inside Miller's vehicle were the following items: "two green ski masks, unloaded firearm with loaded magazines (holstered in center armrest), AK-47 rounds w/ loaded magazines (trunk area of vehicle), a piece of card board with a pig cut out that said "PBSO" along with a cardboard cutout of a raised revolutionary fist, and a camouflage jacket. Miller stated that the masks and card board signs were from a rally that was protesting police brutality several months ago and the ammunition is for his AK-47 gun that he likes to shoot at Shoot Straight (gun range)." Photographs of the items were attached along with a picture of Tyler Miller wearing a tan button down short-sleeved shirt with an unknown badge over the left pocket, an unknown patch on the right and left sleeves, and an unknown identification badge with his photograph clipped to his right shoulder lapel. Please see attached bulletin for details.

At 1904hrs, Det. Donovan called me requesting I review the two BOLOS as well as the CCTV footage provided by Blair. The following is what I observed from camera 1 (CH1) and camera 2 (CH2):

Four people are observed walking across street. One male, later identified as Tyler Miller, WM, 10/25/1994 walks back across the street as the other three disperse walking on the sidewalk, but staying in the vicinity of Miller. Miller is wearing long pants, a jacket with a patch on the left sleeve and shirt. The other people are walking up and down the sidewalk.

Miller passes right in front of the camera where his face is clearly visible.

Comparing the still pictures included in DS Tatum's and Officer Jenning's BOLO's to the CCTV footage it is clearly Tyler A. Miller spray painting Blair's wood fence. This is obvious by Miller's large stature, his hairline, eyebrows, and nose.

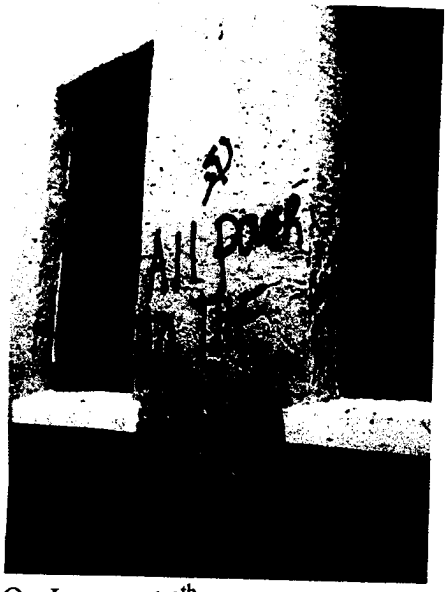

Based on this identification, a check of Miller's license plate in the License Plate Reader (LPR) determined his vehicle bearing FL tag #GCVV85 traveled east bound on 6th Avenue South from I-95 on January 11th, 2019 at 11:15:19PM (2315hrs). This is approximately one (1) hour from when he is recorded on Blair's CCTV system.

Analysis of these graffiti 'tags' determined they all have the following characteristics: all are done with red spray paint, all are written using capital letters, all, but two, have the hammer and sickle, all are written on new or freshly painted fences and/or buildings, and all occurred the night/early morning of January 12th, 2019 in a 4 block area between Lake Avenue to 4th Avenue South and South J Street to South K Street.

8. **Case #18-022416 on 01/04/2018**

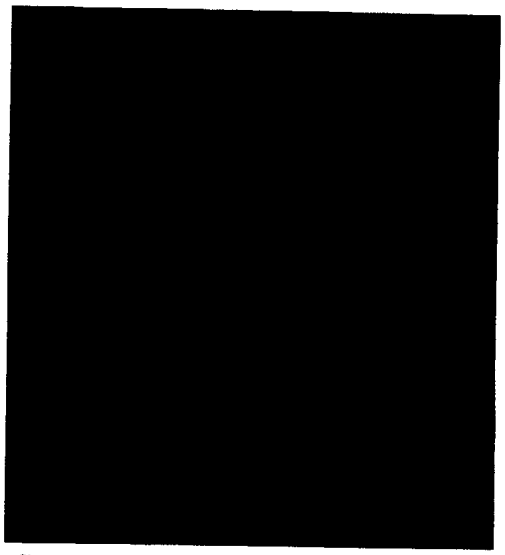

On January 4th, 2018, DS E. Guzman-Martinez #9082 when he was conducting patrol in the 800 block of South F Street, Lake Worth, FL. DS Guzman-Martinez observed the following graffiti painted on the front of the residence at 831 South F Street: "DEATH TO PIGS", "REVOLUTION OR DEATH", "THE STREETS ARE YOURS", "ALL POWER TO THE PEOPLE", "AC AB", the silhouette of an AK-47 rifle drawn, a hammer and sickle, "RISE UP", a red "FIST", and the face of a pig with a police hat with the eyes "X" shut and the words "PBSO" on the hat. The tagger used red and black spray paint to vandalize the residence.

On January 14th, 2019 at 1900hrs, contact was made with the listed victim of DS Guzman-Martinez's case, Ismael Alvarez. Alvarez provided a sworn recorded statement advising the property was under his control at the time of the report in 2018. As recent as two weeks prior to the vandalism he paid to have the property professionally painted in preparation for sale. In order to restore the property back to the original condition, he had to rehire the painters and pay for two more days of labor and paint. The estimated cost to repair the damage was $400.00.

Closer inspection of these 'tags' determined the red fist located above 'ALL POWER TO THE PEOPLE' matches the stencil found inside Tyler Miller's vehicle. Moreover, pig stencil with 'PBSO' on the hat also matches the stencil located inside Tyler Miller's vehicle. See below side-by-side comparisons:

Miller does not have any criminal history in PALMS. However, he has had prior contact with law enforcement. In 2013, Agent [redacted] of PBSO Violent Crimes Divisions interviewed Miller after he attempted to purchase a Chinese SKS 7.63x39mm semi-auto rifle on line. Miller and his grandmother, Dixie Miller, 04/13/1949 went to a local firearms store to complete required paperwork. At the time, Miller was wearing a Chinese Military uniform complete with magazine pouches which raised an employee's attention. The employee made a comment about the uniform to Miller's grandmother who replied something to the effect that she has to live with him. Because of his outfit the employee notified PBSO.

Agent [redacted] was assigned to interview Miller and was accompanied by Sgt. Reasoner and C. Miller. It should be noted, prior to the meeting, Agent [redacted] located social media posts of Miller wearing a Russian military hat, a photo of an Asian person shouldering an RPG and copies of books titled "The Communist Manifesto" and "Che Ghevara Revolution".

On April 24th, 2013 the aforementioned PBSO personnel met with Miller and his grandmother at their residence. Miller was clad in a Chinese military type cap, green shirt with pins with hammer and sickle insignias, green pants and a military type gas mask bag strapped diagonally across his body. The following was taken directly from Agent [redacted] report: I asked Tyler MILLER if we could come in and talk about his future gun purchase. He asked if there was a problem and I advised that there was not. I and Sgt. Reasoner entered the residence while Inv. Griffin spoke with Dixie MILLER his grandmother. I told Tyler MILLER that there is no problem but that someone saw him dressed in a Chinese type military uniform at a gun store and called. I advised that PBSO was then contacted to make sure that everything was ok as people in this day and age are nervous espccially with recent events such as the Boston bombings. I asked him why he was buying the SKS and he advised it was for collection. I asked if it was a Chinese SKS. He said that it was. I asked if it was an unmolested stock SKS as many people convert them buy adding the larger magazines. He said it has not been changed. I asked him if he ever went overseas. He said that he went to China with his school last year. I asked him if this is why he now studies China. Tyler MILLER said that he loved China and he studies and collects things pertaining to Chinese culture. I told him that I also collect guns and in fact had a Yugoslavian

SKS. I then asked if he had any other firearms. He said that he had two AK47 type airsoft guns. I told him that I study airsoft guns and asked if I could see them. He said that I could and invited me into his room. It should be noted that his room was well kept and was decorated with Russian and Chinese communist type paraphernalia to include a large framed photo of Lenin and a red and yellow hammer and sickle flag. Tyler then let me examine and photograph his two airsoft AK-47 type rifles. We then discussed his collection of Russian and Chinese items in his room. I also noticed some ammunition in his room and he allowed me to inspect it. It was approximately 20 rounds of 7.62x39 mm Wolf ammunition loaded in stripper clips designed for SKS rifles. He also had a gas mask and a magazine pouch belt which had no ammunition in it. Tyler Miller also wanted to know if he is going to be okay picking up his rifle at Gator Guns. I advised that once he finishes the waiting period and is cleared at the gun shop with the criminal background check he can receive the firearm. I also asked him where he got the money to go to China and pay for the SKS. He said that they receives some social security money and also has some money from a settlement that he is not allowed to talk about. Sgt. Reasoner also spoke with him to allay his fears that he did anything wrong. Inv. Griffin advised that Dixie Miller, the grandmother, confirmed the information that Tyler had told me reference the trip to China, the source funding for the trip and the SKS Rifle.

It should be noted, Tyler A. Miller, WM, 10/25/1994 has made the following online purchases of firearms:
2013 Norinco (Chinese) SKS rifle
2016 Russian Tokarev 7.62x25mm pistol
2017 Romarm (AK47 type rifle) Model GP WASR 10
2017 Russian 9mm Makarov pistol

On January 14, 2019, I made contact with members of Palm Beach County School Board. A check of Miller's high school records was conducted determining he first enrolled in Forest Hill High School (FHHS) in the fall of 2009 and left in June. He enrolled again in 2010 and left in June. In 2011 he started at FHHS then transferred to 'G' Star School of the Arts where he continued until transferring back to FHHS in 2014 where he graduated. He had no classification for ESE, no documented learning or behavioral issues, and no documented incidents of excessive absences or tardiness.

Based on the aforementioned case facts, Tyler A. Miller, WM, 10/25/1994 will be charged as follows:

1. At approximately 2210hrs, I arrived at District 14 located at 120 North G Street where I observed DS Tembeckjian sitting inside the interview room (audio/video recording activated) with Tyler Miller and Sgt. Segedin sitting outside the room.

At approximately 2235hrs, DS Duplantis from PBSO Behavioral Services spoke with Miller without the audio/video activated.

At 2245hrs, I spoke with Miller (audio/video activated) who advised he was previously read his Miranda Rights by a Deputy when he was arrested at his residence. When asked if he recalled the deputy's name, he stated no, but that he read from a card (pre-printed Miranda Rights card). Miller answered basic questions about who he resides with, where he attended school, and that he graduated from Forrest Hill High School. He did not recall the year he graduated. When asked if he was employed he refused to answer, but did state it was full-time and had only been there for a couple of months.
When I mentioned to him why he was under arrest and asked him if he recalled where he was this past weekend, he requested an attorney. The interview was concluded.
Miller was transported to Palm Beach County Jail and processed for the aforementioned cases.
